Shealy McCoy will be working with Wayne Brannon at MUSC on ISO 14000 certification.

Demonstration of EMS Tracking Tool by Dan Zurosky and Brian Hann, EH&S

The entire EMS manual is now on a CD and can be accessed through the web. EH&S is marketing the CD for other departments and schools; Brian Hann demonstrated how the program works and how it can be adapted to meet the needs of departments and schools outside of USC.

Cleaner Air Sooner, Michael Monroe, DHEC

Michael solicited ideas and participation in an effort to identify state government actions. If you missed the meeting and are interested, please contact Michael at: monroemc@dhec.sc.gov. Click here to view the power point presentation for more details.

Short Items:

Earth Day will be held on April 22 on Green Street. Please take the time to nominate a faculty/staff/student for the conservation award. Click here for the nomination form.

GIS progress: Jim is working on getting a group together to plan and prepare for a meeting with the budget committee.

The external review of the School of the Environment went extremely well. Bruce wanted to once again thank everyone who participated.

Reminders and Requests:

The next meeting will be held in 704 Byrnes building, not 107C Osborne.
