University of South Carolina Employee Benefits Package

The University of South Carolina (USC), through the State of S.C. and Public Employee Benefit Authority (PEBA), offers state employees a valuable benefits package, including health and life insurance, generous paid leave, and retirement programs. Additionally, the university offers voluntary benefits, including hospital and cancer protection programs and 403(b) plans to supplement state insurance and retirement benefits. As a condition of employment, eligible employees are required to become members of a state retirement plan. South Carolina offers a traditional pension plan, including South Carolina Retirement System (SCRS) or Police Officer Retirement System (PORS), as well as the Optional Retirement Program (ORP).

General Information

Benefits Eligibility Requirements

State Insurance Eligibility:

- Full-time equivalent (FTE) faculty and staff, research grant (RGP), time-limited (TL) and temporary (TEMP/TFAC) positions scheduled to work 30 hours or more per week;
- Full-time variable hour employees deemed eligible under the Affordable Care Act (ACA) who averaged 130 or more hours per month over a specific measurement period;
- Part-time (FTE) faculty and staff scheduled to work at least 20 hours per week;
- Part-time RGP/TL faculty and staff scheduled to work at least 20 hours per week, as per grant or project funding and the employee’s Research Grant/Time-Limited Employment Agreement.

State Retirement Eligibility:

- All employees*, except students

*Employees in research grant or time-limited positions that do not have funding for retirement benefits, per the employee’s Research Grant/Time-Limited Employment Agreement, cannot enroll in retirement.

Subscriber Effective Date for State Insurance

- If eligible on the 1st calendar day of the month, coverage will begin on that same day.
- If eligible on the 1st working day of the month, and it’s not the 1st calendar day, coverage may start on the 1st day of that month, or the first day of the next month.
- If eligible any time after the 1st working day of the month, coverage will begin on the 1st day of the next month.

Membership Effective Date for State Retirement

- If you are a new member in state retirement, membership is effective on your date of hire or date of eligibility.

Initial Enrollment Deadlines

- Retirement 30 days from date of hire
- Insurance 31 days from date of hire
Semi-Monthly Insurance Rates: 24 or 18 Deductions/Year, based on Pay Basis

### 24 Payroll Deductions (10.5-Month, 11-Month and 12-Month Pay Basis)

### Opportunities to Enroll or Make Changes to State Insurance Benefits

#### Initial Enrollment – New Subscriber

Eligible employees can enroll in state benefits within 31 days of their date of hire by completing the Carolina Rewards Orientation Worksheet (CROW), and MoneyPlus Enrollment Form, if applicable. Failure to complete enrollment documents within 31 days of hire will result in a missed opportunity to enroll as a new hire and your next opportunity to enroll will be during open enrollment or due to a special eligibility situation, whichever occurs first.

Upon receipt of your completed documents, your assigned benefits counselor will enter your insurance elections into PEBA’s Electronic Enrollment System within 48 hours of receipt, if not sooner. During high volume periods, such as open enrollment, this may be delayed. Once completed by the counselor, the employee will receive an email from SC PEBA to access MyBenefits to review, approve the transaction,
and upload supporting documents, if covering eligible dependents. Prompt attention to this request is important. Your enrollment in state benefits is not complete until this process is approved in MyBenefits.

**Special Considerations at Initial Enrollment**

**If You are Covered as a Spouse Under SC PEBA Insurance**
A new employee enrolled as a dependent spouse in coverage through PEBA Insurance Benefits must be dropped as a dependent and enroll in his/her own coverage with USC. Your spouse should notify his/her benefits office to drop you as a covered dependent. Your coverage as a subscriber cannot be executed by USC until this is completed.

**If You are Covered on a Parent’s SC PEBA Insurance and Electing to be Covered as an Employee**
If you choose to elect coverage as a subscriber (employee of USC), you must be dropped as a dependent from your parent’s SC PEBA group health insurance before an enrollment can be processed under the USC umbrella.

**If You are a Retiree of South Carolina, and Not Eligible for Medicare, or a Dependent Child Covered on His Parent’s SC PEBA Insurance and Remaining Enrolled as a Dependent**
If you are a retiree returning to work in a benefits-eligible position and not eligible for Medicare, you will need to make a decision regarding coverage, specifically whether to return to coverage under active group employee benefits with USC or continue retiree group insurance with PEBA. If you choose to refuse active group benefits to remain enrolled in retiree group insurance, you refuse all active group employee benefits offered by PEBA Insurance Benefits, such as Optional Life Insurance and MoneyPlus Health Spending Accounts. Retirees returning to work in a benefits-eligible job and covered under retiree group insurance with PEBA should refer to the Retiree Group Insurance chapter of the Insurance Benefits Guide, specifically the section, “Returning to Work in a Benefits-eligible Job.”

**If you are refusing active group insurance, you must:**
- Complete and sign an [Active Group Benefits Refusal Form](#)

If you are already enrolled as a dependent on your parent’s coverage through PEBA Insurance Benefits, you may continue being covered as a dependent or enroll in coverage as an active employee. If the you choose to remain enrolled as a dependent, you may not enroll in any benefits as an employee, including supplemental long-term disability (SLTD) and Optional Life (OL).

**If you want to continue being covered as a dependent, you must:**
- Sign an [Active Notice of Election (NOE)](#) refusing all coverage and an [Active Group Benefits Refusal Form](#)

**If You are a Working Retiree of SC and Eligible or Enrolled in Medicare When Returning to Work**
A retiree returning to work in a benefits-eligible position and eligible for Medicare may be required to suspend retiree group coverage and elect active group employee benefits with USC, or may be required to refuse all PEBA sponsored health coverage and have Medicare coverage only. We encourage working retirees eligible for Medicare to contact PEBA Insurance Benefits at 803-737-6800 and/or Medicare to be advised of the impact of returning to work. Retirees returning to work in a benefits-eligible job and covered under retiree group insurance with PEBA should refer to the Retiree Group Insurance chapter of the Insurance Benefits Guide, specifically the section, “Returning to Work in a Benefits-eligible Job.”
If You are a Transfer From Another Participating SC PEBA Employer

A transfer from another PEBA participating employer cannot be enrolled with USC until he is “transfer terminated” by his former PEBA participating employer. For this reason, it is important to ensure your losing employer notifies SC PEBA promptly that you are transferring to USC. **Please be sure to confirm this has been completed. This will allow the Benefits Office to ‘transfer enroll’ your state benefits to USC quickly.**

A transfer must:

- Complete the Carolina Rewards Orientation Worksheet (CROW) and the USC Benefits Transfer Data Form

Open Enrollment

Open enrollment occurs annually from October 1 – October 31 and is an opportunity for subscribers to enroll, cancel or change health and vision plans, add or drop dependents, and/or cancel or decrease Optional Life insurance and/or Dependent Life Spouse coverage for the new plan year; subscribers make changes online via MyBenefits. Open enrollment is also an opportunity to enroll or increase Optional Life and Dependent Life Spouse, which may require medical evidence of insurability. Lastly, subscribers can enroll/re-enroll* online in MoneyPlus Spending Accounts (Medical Spending Account, Dependent Care Spending Account and Limited-use Medical Spending Account) via www.myFBMC.com. Changes to dental plans can only be made during an odd enrollment year, e.g., 2017. All changes during open enrollment are effective for the new plan year, January 1.

*You must re-enroll in MSA, DCSA and LMSA during open enrollment for the new plan year, which is effective January 1.

Special Eligibility Situations

A life event that allows an eligible employee to enroll in or drop coverage for himself and/or eligible family members outside of an open enrollment period.

To make a change:

- Contact the Benefits Office at 803-777-6650 (USC Columbia employees), or your Campus Benefits Administrator (all other campuses) within 31 days of your life event;
- Generally, upon notification, your benefits administrator can initiate an online transaction in MyBenefits for your review and approval;
- Provide appropriate documentation, e.g., a marriage certificate to add a new spouse to insurance; and

To make a change, enroll or cancel MoneyPlus Accounts (MSA, DCSA, and/or, LMSA):

- Complete a Change in Status Form and submit it to your benefits administrator.
Opportunities to Enroll or Make Changes to State Retirement Benefits

Initial Enrollment – New Member*

Eligible employees must enroll in state retirement benefits, or non-elect, if eligible, within 30 days of their initial eligibility. Upon receipt of your hiring document from the department, the USC Benefits Office will notify SC PEBA and you will receive an email to select a retirement plan electronically. Failure to select a plan within the 30 days will result in default into an applicable plan (SCRS or PORS), which is irrevocable.

*Generally, transfer employees from another PEBA-participating employer cannot make changes to state retirement benefits at time of transfer to USC; however, a transfer employee will be required to enroll electronically with USC.

Open Enrollment

Open enrollment for retirement programs occurs annually from January 1 – March 1 and is an opportunity for State ORP members to change investment providers. Additionally, State ORP members enrolled in the plan for at least 12 months, but no more than 60 months, can switch to the SCRS – a traditional pension plan. The option to switch from State ORP to SCRS can only be executed once and is irrevocable. All changes during retirement open enrollment are effective April 1.

Opportunities to Enroll or Make Changes to USC Supplemental Benefits

Eligible employees can apply throughout the year, but may be subject to medical underwriting and pre-existing condition clauses if applying for Colonial Life Insurance. The USC 403(b) Program is administered by the Payroll Office. Questions about enrollment or changes should be directed to Payroll.
