The Committee on Admissions considered thirty-three requests for registration exceptions. Twenty were accepted, and thirteen were denied.

The Committee on Admissions voted to change the concurrent student admission requirements, stating that students must have a minimum SAT score of 1150 (PSAT 115/ACT 25) and have a cumulative high school GPA of at least 3.3. The Faculty Senate approved the proposal.

Dr. Don Jones was elected chair for 2002-2003.
