In the 2001-2002 academic year, the UCCC considered, approved and sent forward to either the Faculty Senate or the Graduate Council:

- 52 new courses
- 4 experimental (X) courses
- 72 course deletions
- 1 new major
- 27 title changes

The Committee completed revisions of the Course Curriculum Action forms, initiated by 2000-2001 UCCC Chair David Berube, and arranged with Faculty Senate Homepage coordinator Sean Crymble to have them made available via the Web in .pdf format (<http://www.sc.edu/faculty/ondocs.shtml>). The Committee then initiated further revision in concert with the Graduate Council, still incomplete as of the date of this report.

The UCCC chairperson for the 2002-2003 academic year is Prof. Gary Blanpied, Dept. of Physics & Astronomy, (7-2599, [blanpied@sc.edu](mailto:blanpied@sc.edu))

The Committee wishes to thank Peggy Pickels (retired Dec. 2001) and Jeanna Luker for their invaluable contribution to the successful exercise of its mandate.

Respectfully submitted on this 16<sup>th</sup> day of July, 2002,

Jeff Persels, Chair  
UCCC 2001-2
