REPORT: COMMITTEE ON CURRICULA AND COURSES  
(For consideration by the Faculty Senate at its June 17, 2009 meeting.)

The Committee requests that any department which has a proposal being recommended by the Committee on Curricula and Courses provide a spokesperson to attend the Faculty Senate meeting in which said proposal is to be recommended. Please contact Gail Wagner (Anthropology) in advance if errors are noted, either by phone: 777-6548 or e-mail: Gail.wagner@sc.edu.

1. COLLEGE OF ARTS AND SCIENCES

   A. Department of Geography

**New course**

GEOG 321  Cities, Environmental Transformation, and Sustainability. (3) An introduction to the impact of urbanization on environmental processes and pathways to greater sustainability.

GEOG 337  Psychogeography. (3) Aspects of human environment relationships with emphasis on cognitive and behavioral processes, including wayfinding, spatial decision-making, place preference, and cognitive mapping.

GEOG 351  Principles of Geographic Boundaries. (3) (Prereq: GEOG 363, 563 or permission of instructor) This course will introduce students to issues in researching, establishing, describing, and defending geographic boundaries. Topics include reading and interpreting legal descriptions, working with surveyed data, and compensating for errors in boundary definitions.

GEOG 360  Geography of Wind. (3) Fundamental principles of wind formation, measurement, and its impacts on the natural and human environment – landscape, human settlement and health, transportation, and energy.

GEOG 525  Geographical Analysis of Transportation. (3) Analysis of transportation systems and the application of geographic tools to transportation planning.

### Degree Requirements

**Current**

**(120 hours)**
The Department of History offers the Bachelor of Arts degree with a major in history.

1. **General Education Requirements (53-62 hours)**

   For general outline, see "College of Arts and Sciences."

2. **Major Requirements**

   **General Major (27 hours)**
   All courses for the major must be at the 300 level or higher.
   
   **A.** HIST 300 The Historian’s Craft (3 hours)
   **B.** U.S. history (3 hours)
   **C.** European history (3 hours)

   *Note: Requirement must be met by a course dealing with a time period different from that chosen for the general education requirement, i.e., modern or pre-modern.*

   **D.** African, Middle Eastern, Asian, or Latin American history (3 hours)

   **E.** Senior Seminar or Thesis (3 hours: should be taken during final 45 hours)

   *Note: Student should have had an upper-level course in a field relevant to the seminar or thesis."

   **F.** Twelve additional hours of history courses at the 300 level or above (12 hours)

   *Note: Students can individually tailor their electives, with the advisor's approval, around a topical, methodological, temporal, or geographical focus.*

   The department will determine into which groups specific history courses fall. Exceptions to distribution requirements must be approved by the undergraduate committee of the Department of History.

3. **Cognate or minor, see "College of Arts and Sciences"**

### 5. B.A. with Distinction

Students who fulfill the requirements for the general major may earn a B.A. with Distinction upon the completion of the following additional requirements:

- **A.** Declare their intention to pursue a degree with distinction before the beginning of their senior year, that is, before they have begun the last 30 units of their undergraduate degree.
- **B.** Have a minimum 3.60 GPA in the major and 3.50 overall GPA at the time of declaration of intent and maintain these GPA requirements.
- **C.** Complete an additional 9 hours of History courses at the 200-level or higher (only 6 hours of 200-level History courses may count towards the requirements for the major and graduation with distinction).
- **D.** Notify the professor of their Senior Seminar or Thesis course in writing by the end of the first week of class that they intend to pursue a degree “with distinction” and complete to the professor’s satisfaction the additional research necessary for work “with distinction.”
- **E.** Public presentation of their research at Discovery Day.

Students who want a degree "with distinction" from the History Department and a degree "with honors from the South Carolina Honors College" must complete two separate research projects.

The Warwick Exchange Program. Selected history majors spend the junior year at the University of Warwick, Coventry, England, and maintain normal progress toward graduation.

**Minor (18 hours)**

Students may take up to 6 hours of History courses at the 200 level to fulfill minor requirements; all the rest of their course hours in History must be taken at the 300 level or higher.

Courses must have the approval of the student’s advisor and an advisor in the History Department. The approval of the History advisor may come at any stage of the program.

New course
MATH 116 Brief Precalculus Mathematics. (2) (Prereq: qualification through placement) Essential algebra and trigonometry topics for Calculus, including working with equations that involve polynomials, rational functions, exponential and logarithmic functions, and trigonometric and inverse trigonometric functions. Intended for students with prior experience in Precalculus, but not ready for MATH 141.

MATH 499 Undergraduate Research. (1-3) (Prereq: a minimum GPA of 3.60 in 500-level MATH courses, 3.30 overall, and departmental permission) Research on a specific mathematical subject area. The specific content of the research project must be outlined in a proposal that must be approved by the instructor and the Undergraduate Director. Intended for students pursuing the B.S. in Mathematics with Distinction. (Pass-Fail grading only.)

Change in description

From: MATH 198 Introduction to Careers and Research in the Mathematical Sciences. undergraduate research track and choose the members of the thesis committee as early as possible, but in all cases at least one year before submitting and defending the thesis. The thesis committee will consist of a thesis advisor, who must be a tenure-track faculty member in mathematics, and one or two other tenure-track or research faculty members in Mathematics or any other department, as approved by the Undergraduate Advisory Council. The senior thesis will produce a piece of original research and a public presentation of the research in a venue approved by the research advisor. The student may use their senior thesis to simultaneously fulfill other requirements as well (e.g., Magellan Scholarship, Honors College Thesis, etc.), at the discretion of the thesis advisor.

By the end of the semester in which the student is admitted into the research track, a brief research plan must be agreed upon by the thesis committee and the student, and filed in the Department of Mathematics and College of Arts and Sciences. Before submitting and defending the thesis, the student must have completed three credit hours of MATH 499 (Undergraduate Research) under the supervision of the thesis advisor, and at least 12 hours of upper-level (500 and above) mathematics credit beyond their major requirements approved by the Undergraduate Director.

By the end of the student’s last semester, the student must present and defend the senior thesis before the thesis committee. The defense must be announced at least one week in advance and be open to the general public. A certificate attesting to a successful defense, signed by the committee, must be placed on file with both the Department of Mathematics and the College of Arts and Sciences. In addition, prior to graduation the student must have either (a) presented the research at a national meeting of a professional society (such as AMS, MAA, SIAM, etc.), at Discovery Day at USC, or at a comparable venue; or (b) prepared a manuscript on their thesis work and had it accepted for publication at an undergraduate or professional journal.

Students who successfully fulfill all of these requirements with a GPA of at least 3.60 in upper division (500 and above) major courses

### Overview

**Bachelor of Arts, Dance (Concentration in Performance and Choreography)**

The Bachelor of Arts with a major in **dance** offers two concentrations: 1) **Performance and Choreography** with focuses on ballet or contemporary dance and 2) **dance education K-12**. The performance and choreography concentration focusing on classical ballet requires 7 ballet technique classes as well as 7 classes from contemporary and other forms of dance. The contemporary dance focus requires 7 contemporary technique classes as well as 7 classes from ballet and other forms of dance. Academic coursework such as choreography, dance history, and theory courses are in ballet or contemporary dance, depending on the focus. Dance performances include full-length ballet productions, classical repertory and contemporary works. All majors are required to be in dance company for 7 semesters.

**Admission Requirements**

1. Entering freshmen and transfer students must meet University admissions requirements and academic standards.

2. Initial acceptance into the performance and choreography concentration is dependent upon a qualifying dance audition in ballet or contemporary dance.

3. Dance majors in performance and choreography are encouraged to complete all four years at USC, Columbia campus, due to the rigorous and ongoing nature of the technical proficiency, as well as company requirements. If a student chooses to transfer into the dance major, additional course work may be necessary to remedy deficiencies.

### Overview

progression to the upper division. To remain in a degree program offered by the School of Music, a student must make satisfactory progress toward the degree. A student who fails to make satisfactory academic progress may be placed on academic probation or removed from the school. This includes satisfactory progress in the applied music sequence. In addition, all students in the school are subject to the regulations on probation, suspension, and readmission in the "Academic Standards" section of the "Academic Regulations" chapter of this bulletin. At the end of the sophomore year, each student’s progress toward completion of lower-division requirements will be evaluated.

**Upper Division.** To be admitted to the upper division, students must meet the following criteria:

1. completion of piano proficiency requirements;
2. completion of the Aural Skills training sequence (MUSC 117, 118, 217, 218); Bachelor of Music with an emphasis in Theory majors must achieve a minimum grade of “B”;
3. completion of the music theory sequence (MUSC 115, 116, 215, 216);
4. for music education majors, completion of the Music Education Practicum (MUED 200);
5. for Bachelor of Music students, approval of the applied jury to progress to upper-division courses (MUSC 311 or 411), as appropriate to the chosen degree program;
6. completion of at least 60 credits with a cumulative grade point average of 2.50 in MUSC and MUED courses and 2.00 in all courses.
