REPORT: COMMITTEE ON CURRICULA AND COURSES
(For consideration by the Faculty Senate at its November 7, 2012 meeting.)

Per the USC Policies and Procedures Manual - Academic Affairs section ACAF 2.00 and 2.03 Appendices, any department which has a proposal being recommended by the Committee on Curricula and Courses must have a representative in attendance at the Faculty Senate meeting in which said proposal is to be recommended.

Please contact Brian Habing (Statistics) in advance of Faculty Senate meeting if errors are noted, either by phone: 777-3578 or e-mail: habing@stat.sc.edu

1. COLLEGE OF ARTS AND SCIENCES

   A. Department of Anthropology

      Core designation
      ANTH 211 Learning Across Cultures. (3)
      Carolina Core GSS

   B. Department of Biological Sciences

      Core designation
      BIOL 270 Introduction to Environmental Biology. (3)
      Carolina Core SCI

      BIOL 270L Introduction to Environmental Biology Laboratory. (1)
      Carolina Core SCI

   C. Department of Earth and Ocean Sciences

      Core designation
      GEOG 103 Introduction to Geography. (3)
      Carolina Core GSS

      GEOG 201 Landform Geography. (4)
      Carolina Core SCI

      GEOG 202 Weather and Climate. (4)
      Carolina Core SCI

      GEOG 210 Peoples, Places, and Environments. (3)
      Carolina Core GSS

   D. Department of English

      Core designation
      ENGL 283 Themes in British Writing. (3)
      Carolina Core AIU
ENGL 286  Poetry. (3)
                     Carolina Core AIU
ENGL 287  American Literature. (3)
                     Carolina Core AIU
ENGL 288  English Literature. (3)
                     Carolina Core AIU

E. Environmental and Sustainability Program

Core designation

ENVR 101  Introduction to the Environment. (3)
                     Carolina Core SCI

ENVR 101L  Introduction to the Environmental Lab. (1)
                     Carolina Core SCI

F. Department of Geological Sciences

Core designation

GEOL 205  Earth Resources. (3)
                     Carolina Core SCI

Change in description and core designation

From: GEOL 230  Geology of the National Parks. (3) An examination of the geologic setting and scientific significance of selected National Parks.

To: GEOL 230  Geology of the National Parks. (3) Examination of the geologic setting and scientific significance of selected National Parks.
                 Carolina Core SCI

G. Department of Languages, Literatures, and Cultures

Change in description and core designation

From: CHIN 121  Elementary Chinese Mandarin. (4) Grammar and practical vocabulary necessary for fundamental communication skills. Assumes no prior experience in the language. Offered only in fall.

To: CHIN 121  Elementary Chinese Mandarin. (4) Grammar and practical vocabulary necessary for fundamental communication skills. Assumes no prior experience in the language.
                 Carolina Core GFL

From: CHIN 122  Basic Proficiency in Mandarin Chinese. (4) Practice and further development of essential listening, reading, speaking, and writing skills. Admission only by successful completion of Chinese 121. Offered in spring.

To: CHIN 122  Basic Proficiency in Mandarin Chinese. (4) Practice and further development of essential listening, reading, speaking, and writing skills. Admission only by successful completion of Chinese 121.

**K. Department of Statistics**

**Change in description**

From: STAT 110 Introduction to Statistical Reasoning. (3) A course in statistical literacy. Topics include data sources and sampling, concepts of experimental design, graphical and numerical data description, measuring association for continuous and categorical variables, introduction to probability and statistical inference, and use of appropriate software.
To: STAT 110

Introduction to Statistical Reasoning. (3) A course in statistical literacy. Topics include data sources and sampling, concepts of experimental design, graphical and numerical data description, measuring association for continuous and categorical variables, introduction to probability and statistical inference, and use of appropriate software. Credit given for only STAT 110 or STAT 112.

**New course and core designation**

STAT 112 Statistics and the Media. (3) Statistical and information literacy. Experimental and survey design; descriptive statistics; basic probability; simple confidence intervals and hypothesis tests; statistical software; collection, management, and evaluation of information; and presentation of statistics in the media. Credit given for only STAT 110 or STAT 112.

Carolina Core ARP and INF

</tr>
</tbody>
</table>

Directed non-BA course work may be selected from a University-wide list of approved minors. The minor is normally a minimum of 18 hours of prescribed courses in one subject area. Students not selecting such a minor may submit an alternative program of study to satisfy the non-BA approved course work. The proposed alternative program of study must be approved by the Undergraduate Program Executive Committee. All minor courses or courses approved as alternatives must be passed with a grade of C or better.

Minors (non-BA) may be selected from a University-wide list of approved minors. The minor is normally a minimum of 18 hours of prescribed courses in one subject area. Students not selecting such a minor may submit an alternative program of study to satisfy the non-BA approved coursework. 

As part of the alternative program of study, students enrolled in the School of Accounting may select an optional cognate in Finance to support the coursework in their major. All alternative programs of study are subject to approval by the Undergraduate Program Faculty Committee in coordination with the Undergraduate Division. All minor courses, cognates, or courses approved as alternatives must be passed with a grade of C or better.

</tbody>
</table>
Artificial Intelligence (CSCE 240):
- CSCE 350 – Data Structures and Algorithms (3)
- CSCE 580 – Artificial Intelligence (3)

Computer Games (CSCE 240):
- CSCE 350 – Data Structures and Algorithms (3)
- CSCE 552 – Computer Game Development (3)

Databases (CSCE 240):
- CSCE 520 – Database System Design (3)
- CSCE 522 – Information Security Principles (3)

Decision Support Systems (CSCE 240):
- CSCE 350 – Data Structures and Algorithms (3)
- CSCE 582 – Bayesian Networks and Decision Graphs (3)

Hardware (CSCE 211, 212):
- CSCE 313 – Embedded Systems Laboratory (3)
- CSCE 513 – Computer Architecture (3)

Networks (CSCE 240 and either 210 or 212):
- CSCE 311 – Operating Systems (3)
- CSCE 416 – Introduction to Computer Networks (3)

Programming Languages (CSCE 212, 240):
- CSCE 330 – Programming Language Structures (3)
- CSCE 531 – Compiler Construction (3)

Security (CSCE 240 and either 210 or 212):
- CSCE 311 – Operating Systems (3)
- CSCE 522 – Information Security Principles (3)

Service Oriented Computing (CSCE 240 and either 210 or 212):
- CSCE 311 – Operating Systems (3)
- CSCE 526 – Service Oriented Computing (3)

Scientific Computing (CSCE 146):
- CSCE 564 – Computational Science (3)
- CSCE 567 – Visualization Tools (3)

Systems Programming (UNIX) (CSCE 240 and either 210 or 212):
- CSCE 311 – Operating Systems (3)
- CSCE 510 – Systems Programming (3)

Theory of Computation (CSCE 211, 212):
- CSCE 350 – Data Structures and Algorithms (3)
- CSCE 355 – Foundations of Computation (3)
Majors in Mathematics may substitute CSCE 551 (Theory of Computation) for CSCE 355, but may not count it as both a major course and a minor course.

</table>

Notes:

1 - The math elective is satisfied with MATH 526 or 527 or 544 or CSCE 561. Other courses in linear algebra or numerical analysis may be substituted with permission of the department.

2 - The department maintains a list of approved major electives for the computer engineering degree. Currently, CSCE 330, CSCE 355, ELCT 321, ELCT 331, and most CSCE courses numbered 510 and higher are approved. CSCE 561 satisfies the requirement as either a major elective or as a mathematics elective.

CSCE 416 - Introduction to Computer Networks
CSCE 490 - Capstone Software Engineering Project I
CSCE 492 - Capstone Software Engineering Project II

Lower Division Elective (3 Hours)

Major Electives (9 Hours)
CSCE 317 - Computer Systems Engineering
Courses numbered above 500

Application Area (9 Hours)

Notes:

1. The liberal arts courses must include at least one history course, one fine arts course, and one social or behavioral science course. The department maintains a list of approved liberal arts electives.

2. The lower division elective is a 200-level application-oriented CSCE course. The department maintains a list of approved electives.

3. The laboratory sciences must include either CHEM 111 and 112 or PHYS 211, 211L, 212, and 212L for 8 hours. The department maintains a list of other approved laboratory sciences for the remaining 4 hours.

approved Carolina Core GSS course.

GHS: Global Citizenship and Multicultural Understanding: Historical Thinking (3 hours) Any approved Carolina Core GHS course.

GFL: Global Citizenship and Multicultural Understanding: Foreign Language (0-8 hours) Any approved Carolina Core course(s) for GFL or score of two or better on foreign language placement test.

SCI: Scientific Literacy (8 hours)
Either both
CHEM 111 - General Chemistry I
CHEM 112 - General Chemistry II
or all of
PHYS 211 - Essentials of Physics I
PHYS 211L - Essentials of Physics I Lab
PHYS 212 - Essentials of Physics II
PHYS 212L - Essentials of Physics II Lab

CMS: Effective, Engaged, and Persuasive Communication: Spoken Component (3 hours)
SPCH 140 - Public Communication

INF: Information Literacy (0-3 hours)
Any approved overlay or stand-alone Carolina Core INF course.

VSR: Values, Ethics, and Social Responsibility (1 hour)
Any approved overlay or stand-alone Carolina Core VSR course.

Other Required General EducationCourses

(3 Hours)
One of the following two courses:
ENGL 462 - Technical Writing
ENGL 463 - Business Writing

Liberal Arts (9 Hours)

(10 Hours)
MATH 241 - Vector Calculus
MATH 374 - Discrete Structures
MATH 526 - Numerical Linear Algebra

(3 Hours)
STAT 509 - Statistics for Engineers
Laboratory Sciences (4 Hours)
The department maintains a list of approved laboratory science courses.

(8 Hours)
CSCE 145 - Algorithmic Design I
CSCE 146 - Algorithmic Design II

Required Courses in the Major

(32 Hours)
CSCE 190 - Computing in the Modern World
CSCE 211 - Digital Logic Design
CSCE 212 - Introduction to Computer Architecture
CSCE 215 - UNIX/Linux Fundamentals
CSCE 240 - Introduction to Software Engineering
CSCE 311 - Operating Systems
CSCE 330 - Programming Language Structures
CSCE 350 - Data Structures and Algorithms
CSCE 355 - Foundations of Computation
CSCE 390 - Professional Issues in Computer Science and Engineering
CSCE 416 - Introduction to Computer Networks
CSCE 490 - Capstone Software Engineering Project I
CSCE 492 - Capstone Software Engineering Project II

Lower Division Elective (3 Hours)
The lower division elective is a 200-level application-oriented CSCE course. The department maintains a list of approved electives.

Major Electives (9 Hours)
CSCE 317 - Computer Systems Engineering
Courses numbered above 500

Application Area (9 Hours)

---

Core designation
CSCE 145  Algorithmic Design I. (4)

Carolina Core ARP

Change in prerequisite
From: CSCE 390  Professional Issues in Computer Science and Engineering. (3)
(Prereq: CSCE 240, SPCH 140)
To: CSCE 390  Professional Issues in Computer Science and Engineering. (3)
New course with Distance Education Delivery
CSCE 415 Mainframe Systems. [=ITEC 475] (3) Introduction to the large scale computer systems used by businesses to support thousands of simultaneous users and process millions of transactions. (Prereq: Professional division standing in ITEC, upper division standing in CSCE, or permission of the instructor)

B. Department of Mechanical Engineering
Change in curriculum. Website 2012-2013 Bulletin – Minor – Aerospace Engineering

<table>
<thead>
<tr>
<th>Current</th>
<th>Proposed</th>
</tr>
</thead>
<tbody>
<tr>
<td>NA</td>
<td>Aerospace Engineering Minor</td>
</tr>
</tbody>
</table>

A student may obtain a minor in aerospace engineering by completing at least 18 credit hours consisting of three core courses and three approved elective courses.

I. Core Aerospace Courses (9 Hours)
Must take the two following:
EMCH 577: Aerospace Structures I
EMCH 578: Introduction to Aerodynamics

Choice of one of the following:
EMCH 508: Finite Element Analysis in Mechanical Engineering
EMCH 585: Introduction to Composite Materials

II. Elective Aerospace Courses (9 Hours)
Must take at least three additional courses from the following:
EMCH 508: Finite Element Analysis in Mechanical Engineering
EMCH 516: Control Theory in Mechanical Engineering
EMCH 522: Design For Manufacturability & Assembly
EMCH 532: Intermediate Dynamics
EMCH 544: Compressible Flows
EMCH 554: Intermediate Heat Transfer
EMCH 560: Intermediate Fluid Mechanics
EMCH 571: Mechanical Behavior of Materials
EMCH 575: Adaptive Material Systems and Structures
EMCH 584: Advanced Mechanics of Materials
EMCH 585: Introduction to Composite Materials
EMCH 592: Introduction to Combustion

5. COLLEGE OF HOSPITALITY, RETAIL, AND SPORT MANAGEMENT

A. Integrated Information Technology Program
Addition of cross-listing and Distance Education Delivery
From: ITEC 475 Mainframe Systems. (3)
To:   ITEC 475 Mainframe Systems. [=CSCE 415] (3)
B. Department of Retailing
Change in designator
From: RETL 344 Personnel Organization and Supervision. (3)
To: HRTM 344 Personnel Organization and Supervision. (3)

Change in title and description
From: RETL 388 Contemporary Trends in Fashion. (3) Fashion show production, trend analysis, and fashion products.
To: RETL 388 Fashion Forecasting. (3) Forecasting fashion trends to impact retail merchandising performance.

D. Department of Sport and Entertainment Management

Overview
The Sport and Entertainment Management (SPTE) Department at the University of South Carolina prepares students for a variety of managerial positions in the sport and entertainment industry.

The goal of the SPTE department is to create an integrated academic learning environment for analyzing and resolving the challenges in the business of sport and entertainment. The SPTE department provides a comprehensive curriculum that includes courses in general education, business and sport and entertainment management, as well as two experiential learning experiences (practicum and internship) under the supervision of industry professionals and SPTE faculty.

The faculty and staff are committed to providing support for student achievement. Students can enter the industry with exceptional knowledge, professional preparation, a strong alumni network, and the
### Learning Outcomes

Students should be able to demonstrate knowledge of the qualifications, job requirements, and working conditions for a sport and entertainment industry position.

- Students should be able to demonstrate the computer and technical skills needed for a sport and entertainment industry position.
- Students should be able to apply learned concepts and theory to demonstrate an understanding of the nature of the sport and entertainment industry.

### Curriculum

### Progression Requirements

Students seeking professional division status must fulfill the department’s 45 credit-hour progression requirement and that of the college. A minimum grade point average of 2.75 must be achieved. Students not meeting the specific course, semester hour, grade point average, and practicum requirements for progression must continue in the pre-professional division or change to another major. A minimum grade of C is required in English 101, 102 and all departmental courses used to satisfy major or professional area requirements. Graduation requires a 2.75 minimum GPA.

### Degree Requirements (127 Hours)

- Carolina Core Courses
- College of HRSM Required Courses
- Related Coursework
- Major Coursework
- Free Electives

### Curriculum Requirements

### Progression Requirements

In order to enroll in the Professional Division of SPTE, students must complete 45 credit hours in the courses indicated as Pre-Professional Division with a minimum grade point average of 2.75. Students who do not meet the specific course, semester hour, and grade point average requirements for progression must continue in the Pre-Professional division or change to another major. Only students admitted to the professional division of Sport and Entertainment Management will be allowed to enroll for more than 18 credit hours of SPTE course work.
### 1. Curriculum for the Preprofessional Division (45 Hours)

#### General Education (12 Hours)

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Title</th>
</tr>
</thead>
<tbody>
<tr>
<td>ENGL 101</td>
<td>Critical Reading and Composition</td>
</tr>
<tr>
<td>ENGL 102</td>
<td>Rhetoric and Composition</td>
</tr>
</tbody>
</table>

#### Mathematics

- MATH 122 - Calculus for Business Administration and Social Sciences or higher
- STAT 201 - Elementary Statistics

#### Sport and Entertainment Management Courses (15 Hours)

- SPTE 201 - Introduction to Sport Management
- SPTE 274 - Computer Applications in Sport and Entertainment Management
- SPTE 295 - Practicum
- One SPTE elective

#### Other Courses (18 Hours)

- ECON 224 - Introduction to Economics
- RETL 261 - Functional Accounting I
- RETL 262 - Functional Accounting II
- MKTG 350 - Principles of Marketing
- MGMT 371 - Principles of Management
- SPCH 140 - Public Communication

Pre-Professional courses include the following:

- Carolina Core Courses within the CMW, ARP and CMS areas
- Pre-Professional College Required Courses
- Pre-Professional Related Courses
- Pre-Professional Major Courses

### Course Grade Requirements

Students in this major must receive a C or better in the following courses:

- The CMW Carolina Core Courses
- All SPTE Major Courses
- All SPTE Major Elective Courses
- All Related Coursework

Graduation requires a 2.75 GPA. In order to satisfy the requirements for a degree in Sport and Entertainment Management.

### Minor Requirements for Sport and Entertainment Management

Sport and Entertainment Management majors may pursue a minor in any course of study offered by the College of Hospitality, Retail and Sport Management (HRSM) as well as any other University program with an approved minor. College of HRSM required courses may not be counted toward a minor.

### B.S. with Distinction

The Departmental Undergraduate Research Track is available to students majoring in sport and entertainment management who wish to participate in significant research activities of the major field in collaboration with, or under the supervision of, a faculty mentor.

**Prerequisites:**
A minimum GPA of 3.50 in major courses, 3.30 overall.

**Three courses in addition to the major**
2. Restricted Courses

The following courses are restricted to students enrolled in the professional division of the Department of Sport and Entertainment Management or those students who receive special permission of the department chair:

- SPTE 440 - Sport and Entertainment Business and Finance
- SPTE 444 - Sport and Entertainment Event Management
- SPTE 495 - Internship in Sport and Entertainment Management
- All 500-level and above courses

Note:

Only students admitted to the professional division of sport and entertainment management will be allowed to enroll for more than 18 credit hours of SPTE course work.

3. Graduation Requirement

In addition to meeting all specific academic degree requirements, students must have a cumulative GPA of 2.75 on all USC work attempted in order to receive a degree in sport and entertainment management.

Degree Requirements (127 Hours)

1. Carolina Core General Education Requirements and General Education Requirements (31-43 Credit Hours)

English (12 Hours)
Sport and Entertainment Management majors must fulfill all Carolina Core general education requirements. The Carolina Core consists of 31 to 43 credit hours of required coursework in ten different areas of study. Students select one or more courses for each learning outcome to satisfy the minimum number or credit hours required. (For additional information and lists of approved courses, please refer to the Carolina Core section of the Bulletin.)

CMW: Effective, Engaged, and Persuasive Communication: Written Component (6 Hours)

- ENGL 101 - Critical Reading and Composition
- ENGL 102 - Rhetoric and Composition

ARP: Analytical Reasoning & Problem Solving (6 - 7 Hours)

- MATH 122 - Calculus for Business Administration and Social Sciences OR MATH 141 – Calculus I AND
- STAT 201 – Elementary Statistics

SCI: Scientific Literacy (7 hours)

- Two approved Carolina Core SCI courses, including at least one laboratory, selected from Astronomy, Biology, Chemistry, Environmental Science, Geology, Marine Science or Physics

GFL: Global Citizenship and Multicultural Understanding/Foreign Language (0-6 hours)

- College of HRSM students must demonstrate proficiency in a foreign language by achieving a score of 2 or higher on the foreign language placement test or by completing one foreign language course through 110 or 121. See list of approved Carolina Core GFL courses.
e. History

At least one course in history.

Foreign Languages

Students shall demonstrate in one foreign language the ability to comprehend the topic and main ideas in written and, with the exception of Latin and Ancient Greek, spoken texts on familiar subjects. This ability can be demonstrated by achieving a score of two or better on a USC foreign language proficiency test. Those failing to do so must satisfactorily complete equivalent study of foreign language at USC.

Mathematics and Sciences (13 Hours)

Six hours in business calculus and statistics are required:

- MATH 122 - Calculus for Business Administration and Social Sciences or higher
- STAT 201 - Elementary Statistics

Two courses (one of which must have a laboratory) from the following sciences (7 Hours):

- Astronomy (ASTR)
- Biology (BIOL)
- Chemistry (CHEM)
- Geological Sciences (GEOL)
- Marine Science (MSCI)
- Physics (PHYS)

2. Major Requirements (66 Hours)

Understanding/Historical Thinking (3 hours)

- Any approved Carolina Core GHS course.

GSS: Global Citizenship and Multicultural Understanding/Social Sciences (3 hours)

- Any approved Carolina Core GSS course.

AIU: Aesthetic and Interpretive Understanding (3 hours)

- Any approved Carolina Core AIU course.

CMS: Effective, Engaged, and Persuasive Communication (3 hours)

- SPCH 140 - Public Communication

INF: Information Literacy

- Any approved overlay or stand-alone Carolina Core INF course.

VSR: Values, Ethics and Social Responsibility

- Any approved overlay or stand-alone Carolina Core VSR course.

2. College of HRSM Required Courses (21 credit hours)

Pre-Professional Division College Required Courses (9 Hours)

- RETL 261 - Functional Accounting I
- RETL 262 - Functional Accounting II
- SPTE 274 – Computer Applications in SPTE
### Fundamental Knowledge (27 Hours)

#### Business Administration
- MKTG 350 - Principles of Marketing
- FINA 363 - Introduction to Finance
- MGMT 371 - Principles of Management
- ECON 224 - Introduction to Economics

#### Hospitality, Retail, and Sport Management
- HRSM 301 - HRSM Professional Development Seminar
- RETL 261 - Functional Accounting I
- RETL 262 - Functional Accounting II
- RETL 344 - Personnel Organization and Supervision
- ITEC 240 - Business Law

#### Sport and Entertainment Management and Professional Specialization Course Work (39 Hours)
- SPTE 201 - Introduction to Sport Management
- SPTE 274 - Computer Applications in Sport and Entertainment Management
- SPTE 295 - Practicum
- SPTE 380 - Sport and Entertainment Marketing
- SPTE 440 - Sport and Entertainment Business and Finance
- SPTE 444 - Sport and Entertainment Event Management
- SPTE 495 - Internship in Sport and Entertainment Management

Four of the following courses with advisor's consent:
- SPTE 110 - Sport and Entertainment in American Life

### College Required Course (12 Hours)
- ITEC 240 - Business Law
- ITEC 242 - Business Communications or ENGL 463 – Business Writing
- RETL 344 - Personnel Organization and Supervision
- HRSM 301 - HRSM Professional Development Seminar
### 2. Pre-Professional Related Coursework (9 Credit Hours):

- ECON 224 Introduction to Economics
- MGMT 371 Principles of Management
- MKTG 350 Principles of Marketing

### 3. Related Coursework (12 Credit Hours):

**Pre-Professional Division Major Courses**

- SPTE 201 – Introduction to Sport Management
- SPTE 295 – Practicum*
A minimum GPA of 3.50 in major courses, 3.30 overall

Three courses in addition to the major requirements:

- SPTE 580 - Business Principles in Sport Management
- SPTE 498 - Research Experience
- SPTE 499 - Senior Thesis

Additional Requirements

Presentation of the senior thesis in an appropriate venue (SEUT, USC Discovery Day, IAAM research session, NASSM, CSRI).

A written sponsorship agreement from the faculty mentor will be placed on file in the department office.

Students who successfully fulfill these requirements with a GPA of at least 3.50 in all major courses and a 3.30 overall GPA will be awarded their degree “With Distinction in Sport and Entertainment Management” upon graduation.

- SPTE Elective**

* SPTE 295 Practicum is the final course taken in the Pre-Professional Division required hours. Students must achieve the required 2.75 GPA prior to enrolling in SPTE 295.

Professional Division Major Courses (24 Credit Hours)

- SPTE 380 – Sport and Entertainment Marketing
- SPTE 440 - Sport and Entertainment Business and Finance
- SPTE 444 - Sport and Entertainment Event Management
- SPTE 495 - Internship in Sport and Entertainment Management
- 3 SPTE Electives**

---

5. Free Electives (15-27 Hours)

The SPTE curriculum includes 15-27 hours of electives depending on how students fulfill the Carolina Core requirements. Courses used to satisfy the elective requirement must be approved by the SPTE advisor (including additional electives in the major).

**Major Electives which may be used as Free Electives include the following courses with advisor’s consent:

- SPTE 110 - Sport and Entertainment in American Life
- SPTE 202 - Introduction to Live Entertainment Management
- SPTE 203 - Introduction to Event and Venue Management
- SPTE 302 - Artist Representation and Management
