Cary K. Smith, Jr. Memorial Fund	No	N/A	Douglas B. Meade	803.777.6183	ugraddir@math.sc.edu
<p>Awarded annually by the Department of Mathematics to an outstanding undergraduate mathematics major who has demonstrated excellence in mathematics and leadership. The scholarship was established in 1998 in memory of Cary Kincaid Smith, Jr., an Honors graduate of USC who died while performing his duties as a pilot in the U.S. Marine Corps. The recipient is selected by the Undergraduate Advisory Council in the Department of Mathematics.</p>					
College of Science and Mathematics Senior Year Award	Yes	March 1	Douglas B. Meade	803.777.6183	ugraddir@math.sc.edu
<p>Awarded annually by the College of Science and Mathematics to a rising senior mathematics major who has demonstrated excellence in mathematics and has a cumulative GPA of at least 3.50.</p>					
George Johnson Fellowship in Computational Mathematics	No	N/A	(Steward contact) Emily Rourk (Departmental Contact) Kalayna Price	803.777.4224	(Steward) Rourke@gwm.sc.edu (Department) Kalayna@math.sc.edu
<p>The Graduate Director puts out a call for nominations from the faculty. All graduate students who plan to work in computational mathematics are eligible, but preference is given to those who have actually started dissertation work in the area. Faculty send their nominations with a description of the students plans or work in progress. The Graduate Advisory Committee reviews the nominations and recommends the student to be awarded. The cumulative academic records are considered along with the research plans/progress. (For 2007-2008, the meeting was on 3/7/08 and two students were considered.)</p> <p>The Graduate Director conveys the consensus decision to the Chair and initiates the monetary award process.</p>

Victor W. Laurier Undergraduate Research Scholarship	Yes	March 5, 2007	Douglas B. Meade (Undergraduate Director, Department of Mathematics)	803.777.6183	ugraddir@math.sc.edu
---	-----	---------------	--	--------------	----------------------

The Victor Laurier Undergraduate Research Scholarship provides monetary support for an undergraduate student interested in being involved with mathematical research during the summer. This is a competitive award based on proposals submitted by all interested students. The selection is based on a written proposal. The proposal should explain the basic mathematical problem to be studied, why this problem is of interest to you, and prior knowledge you have about this project (courses and/or independent study), and anticipated results. The proposal does not need to have any mathematical detail. The entire proposal should be no more than two (2) pages-this page and one additional page. Students interested in the Laurier Scholarship are encouraged to apply to USC's Magellan Scholar Program. The deadline for applying for support for Summer 2007 is March 5. For more details about the Magellan Scholar Program and other opportunities for undergraduate research at USC visit <http://www.sc.edu/our>.
