Institutional Role: Please briefly describe your professional role at your current institution.

SECTION B. QUESTIONS ON FIRST-YEAR ASSESSMENT

Please address the following questions in a maximum of three (3) pages. Proposals that do not address the following questions or exceed the 3 page limit will not be considered by AIR.

- 1) How does your current (or future) work relate to assessment of the first year of college?
- 2) In what ways do you hope to benefit from participation in the Summer Institute on First-Year Assessment?
- 3) In what way do you hope your current institution (or the institution in which you anticipate working) will benefit from your participation in the National Conference on First-Year Assessment?
- 4) How would you describe your level of expertise and background in assessment of the first year of college?
- 5) What one assessment issue do you hope to learn about at the National Conference on First-Year Assessment?

SECTION C. LETTER OF SUPPORT

As an attachment/enclosure, please submit a Letter of Support from an appropriate official at your institution (i.e. president, vice president, provost, division chair, dean, department chair, program director, provost, etc.) who will support and encourage your attendance at the National Conference on First-Year Assessment. (Please submit one letter only.)
