Pixels, Portfolios & First-Year Success: Networking Resources Roundtable

Facilitators:

Dr. Joan E. Leichter Dominick  
Kennesaw State University  
jdominic@kennesaw.edu

Ms. M. Leigh Funk  
Kennesaw State University  
lfunk@kennesaw.edu

Dr. Dave Lawrence  
Alma University  
lawrence@alma.edu

Whether you are exploring, using, or are a veteran of E-Portfolios in the First-Year Seminar be prepared to have fun learning at this networking resource roundtable. Bring your stories, sample e-portfolios, resources, and ideas for a lively and insightful exchange of how you can use E-Portfolios for first-year success in college. E-Portfolios weave technology to learning, thus, helping college students honor, understand, and connect their first-year learning experiences to the future roles as college graduates and global citizens.

Come join our academic conversations on creating the college student portfolio in the First-Year Experience Programs. Bring sample E-Portfolios, tips on using the latest software to create E-Portfolio Templates, samples of reflective portfolios on learning, samples of best of show portfolios, samples of how to assess portfolios, ideas on how to use E-Portfolios for scholarships, internships, academic advising, and careers. Come to the conversation roundtable for an inspiring exchange of your ideas on the empowerment of our student learning experience in the First-Year Seminar gateway to success in higher education.

E-Portfolio Web Resources:

Section One: E-Portfolio Virtual Community and Resources:

Join a Virtual E-Portfolio Community created by the American Association of Higher Education and Educause. Register for free to begin networking on all aspects of using the E-Portfolio in Higher Education from training to assessment. Consult:

EPAC: The Electronic Portfolio Virtual Community of Practice
