

Call for Alpha Xi Leadership Intern Program

Alpha Xi and STTI recognize and support the importance of leadership and leadership development in the profession of nursing. The Alpha Xi Leadership Intern Program is a yearlong opportunity for mentoring and individualized leadership development to include a \$1000.00 academic scholarship. The intern will be guided and mentored by Alpha Xi board members throughout the year. He/she will be expected to attend and participate at monthly board meetings and other events as well as represent the USC CON students by disseminating information to both the board and the student body, assisting Alpha Xi in better serving the student membership. The Intern will be a first-semester undergraduate senior Alpha Xi member.

Deadline: April 15, 2008

Use as much space as you need, this form is just a guide.
