Happy Holidays

...... from The Office of Fellowships and Scholar Programs!
We wish you a break filled with reconnection and reflection, fellowship and fun. As a reminder, our office will close on December 22nd and reopen on January 2nd. Appointments will resume the week of January 12th.

We hope you’ll make national fellowships a part of your new year!

Don’t forget to check out INFO (our searchable database of national fellowships) over break – start planning now for the spring and looking ahead to next year.

Special opportunity for freshmen and sophomores:
Join us when you get back as we explore national fellowship opportunities for the summer. The DAAD RISE, UK Summer Fulbright, and NSF REUs are just some of the opportunities that have deadlines in late winter or early spring, so we’ll review application processes, hints, and tips.

Two sessions will be offered: Monday, January 12th at 3:30 p.m., and Tuesday, January 13th at noon, both in Legare 322.

To catch up on all the news you may have missed in the final weeks of the semester, view our past newsletters at http://www.sc.edu/ofsp/newsletter.html.
