Welcome back to campus! OFSP is excited to see you after a quiet summer. Read on to find out how you can make national fellowships a part of your 2016-2017 experience!

**Upcoming Workshops:**

**Get an Orientation to National Fellowships**

**Tuesday, August 16th, 10:30 a.m. or 1:30 p.m., Currell College Room 107 (Currell is next to Rutledge on the Horseshoe)**

Become acquainted with the wide range of fellowships to complement your academic experience. USC student award winners will share how a national fellowship has stimulated their learning and furthered their career planning. Geared towards freshmen, but if you've never attended an overview of fellowships before, please come!
Can't make it to either session? We will have an additional Introduction to National Fellowships on Friday, August 26th at 1 pm in the Gressette Room, 3rd Floor Harper College.

Our regular workshop schedule will begin with our Fulbright Application Workshop on Monday, August 22nd at 4 pm in Russell House Room 304. Fulbright grants allow students to spend a year abroad after graduation, teaching English, earning a graduate degree, or pursuing independent research. The campus deadline for Fulbright is August 29th, so please be in touch before the workshop if you are thinking of applying this year! Reserve a seat at the workshop by clicking here.

**Important Fellowship Deadlines:**

**Fulbright** Campus Deadline is August 29th. Applications must be submitted via the Fulbright online system through Embark.

**Schwarzman** Campus Deadline is September 1st. Applicants must email OFSP their intent to apply by this date so that we can facilitate the institutional endorsement.

**Glamour** Deadline is September 15th. For current junior and senior women, you could be one of 10 College Women of the Year. The deadline is a receipt deadline for all application materials.

**Rangel Graduate Fellowship** deadline is now September 19th (4 months earlier than in the past!). The Rangel offers funding for graduate school to those who seek a career in the Foreign Service.

**National Fellowship Peer Mentors:**

Our OFSP Intern program has become the Fellowships Peer Mentor program! We have 24 USC national fellowship winners and finalists on campus who would love to talk with you about their experiences, and offer insight and advice as you navigate your own applications.

Peer Mentors will be present at workshops, are available to take out for coffee and conversation, and will host drop-in hours throughout the year. More information and the drop-in schedule can be found on our website.

Peer Mentors are available to talk about the following competitions:
Amgen
CLS (Critical Language Scholarship)
Gilman
Goldwater

NSF GRFP
NSF REUs
SMART (Science, Math, and Research for Transformation)

If you don't see a competition listed that you'd like to talk with a Peer Mentor about, let us know. We have several alumni who are happy to talk about their experiences!
