INVOLVED IN RESEARCH AND WANT TO SHOWCASE IT TO GRADUATE SCHOOLS?
Register with the Council on Undergraduate Research’s Registry for Undergraduate Researchers, a FREE matchmaking service between undergrads with research experience looking to pursue an advanced degree and graduate schools seeking high quality students who are well prepared for research. The Registry is open to students and graduate schools in the fields of Chemistry, Biochemistry, Biology, Physics/ Astronomy, Mathematics/Computer Science, Economics, Geosciences, Engineering, Psychology, Sociology, Humanities and Anthropology/Archaeology. Visit www.cur.org/ugreg/ to fill out a simple curriculum vitae form to help connect you to graduate schools across the country. Graduate schools may contact students to invite applications or visits to the campus and laboratory, or to share information about their research programs and financial support opportunities.
