I. Policy

University Vending Services controls and supervises all vending operations and automatic retailing machines (food and drink) on campus, except in non-academic areas of the Coliseum.

II. Procedure

- A. The University contracts vending services through competitive solicitations with vending companies.
- B. To obtain, alter, or terminate any vending service, a department must submit a request to the Director of the CarolinaCard Office outlining the change or type of service.
- C. Requests for maintenance of machines, or for refunds of monies lost in vending machines because of machine malfunction, are handled by the CarolinaCard Office.
- D. The contracted vending companies must stock, maintain, and clean the vending machines as required.
