This document describes the process of the evaluation of officers of the University of South Carolina including the President, Vice Presidents, Secretary of the Board of Trustees, and the University Treasurer. Direct reports to the President and the Chief Audit Executive will also be evaluated according to the provisions of this policy.

POLICY STATEMENT

The performance of the President is evaluated annually by the Board of Trustees through an internal process in conjunction with a process determined by the South Carolina Agency Head Salary Commission.

The performance of the Secretary of the Board of Trustees is evaluated by the Board of Trustees.

The performance of the Chief Audit Executive is evaluated by the Board of Trustees in consultation with the University President.

The performance of the University Treasurer is evaluated by the Treasurer's supervisor of record.

The performance of the officers of the university and those administrators reporting directly to the President is evaluated annually by the President. Among other factors, evaluations will include an assessment of the individual's success in achieving the goals articulated in the strategic plans for their respective offices or divisions.

Periodically, but no less often than every five years, officers of the university and administrators reporting directly to the President will be evaluated by their administrative colleagues, members of their faculty and/or staff, and representatives of other constituent groups, if appropriate, to provide information about the performance and effectiveness of the administrator.

The President may initiate a review of an officer or a direct report to the President at any time deemed necessary and/or appropriate.

PROCEDURES

The President will send an annual letter of evaluation to each officer of the university and each administrator reporting directly to the President.

In the years when a more detailed evaluation is conducted, the President or the President’s designee will develop the evaluation instrument, determine the individuals who will be asked to participate, distribute the evaluation, receive and compile the responses, and advise the officer or administrator of the results.

The Board of Trustees will evaluate the Chief Audit Executive and the Secretary of the Board in accordance with their bylaws.

The supervisor of record for the University Treasurer will use the standard evaluation process appropriate for the position as described in university policy HR 1.36 Performance Evaluation for Classified and Unclassified Non-Academic Staff.

The results of the evaluation and the participant responses are subject to release under the South Carolina Freedom of Information Act.
