

Harris Pastides

DATE OF BIRTH: February 21, 1954

BIRTHPLACE: New York City

HOME ADDRESS: 104 Holliday Road
Columbia, SC 29223
(803) 419-4500

OFFICE ADDRESS: Office of the Vice President for Research and Health Sciences
University of South Carolina
110 Osborne Administration Building
Columbia, SC 29208
Phone: (803) 777-5458
Fax:(803) 777-5457
E-mail: pastides@sc.edu

<u>EDUCATION:</u>	1971-75	B.S. Biology & Chemistry	State University of New York, Albany
	Summer 1972	Certificate Economics	American Institute for Foreign Study
	1975-77	M.P.H. Public Health	Yale University School of Medicine
	1977	M.Phil. Epidemiology	Yale University Graduate School
	1980	Ph.D. Epidemiology	Yale University Graduate School

APPOINTMENTS:

2003-Present	<u>Executive Director</u> , Research Foundation, University of South Carolina
2003-Present	<u>Vice President for Research and Health Sciences</u> , University of South Carolina
2002-2003	<u>Interim Vice President for Research</u> , University of South Carolina
1998-2003	<u>Dean</u> , Arnold School of Public Health, University of South Carolina, and <u>Professor of Epidemiology</u> , Department of Epidemiology and Biostatistics, Arnold School of Public Health, University of South Carolina
1993-1998	<u>Chairman</u> , Department of Biostatistics and Epidemiology, School of Public Health and Health Sciences, University of Massachusetts at Amherst, and <u>Professor of Epidemiology</u> , School of Public Health and Health Sciences, University of Massachusetts at Amherst
1986-1992	<u>Associate Professor of Epidemiology</u> (with tenure), Department of Biostatistics and Epidemiology, School of Public Health and Health Sciences, University of Massachusetts at Amherst
1980-1986	<u>Assistant Professor of Epidemiology</u> , Department of Biostatistics and Epidemiology, School of Public Health and Health Sciences, University of Massachusetts at Amherst

OTHER APPOINTMENTS:

2003-2004	Member, Board of Directors, Southeastern Atlantic Coastal Ocean Observing System
2003-present	Member, Board of Directors, SC River Alliance
2003-present	Member, Dorn (VA Hospital) Research Institute
2003-present	Member, Steering Committee, National Victim Assistance Academy, Medical University of South Carolina
2002-present	Governor's Appointee, South Carolina Governors School for the Arts and Humanities
2002-present	Member, Board of Directors, Sexual Trauma Services of the Midlands
2002-present	Member, SC Cancer Leadership Steering Committee
2002-present	Member, Executive Committee, Association of Schools of Public Health
2001-present	Member, Advisory Committee, Center of Excellence in Rural and Minority Health, Voorhees College
2001	Member, Implementation Oversight Committee, SC Turning Point

OTHER APPOINTMENTS, continued:

2001-present	Chair, Diversity Committee, Association of Schools of Public Health
2001	Member, Public Health Student Caucus Advisory Board, American Public Health Association
2001-2002	Chair, Selection Panel, Howard Hughes Medical Predoctoral Fellowships, National Academies of Science
2001	Member, Reaffirmation Committee, Morehouse School of Medicine, Southern Association of Colleges and Schools, Commission on Colleges
2000-2002	Governor's Appointee, Board of Governors, South Carolina Patients' Compensation Fund
1999-2003	Member, Subcommittee on Upper Level Nutrients, National Academies of Science, Institute of Medicine, Washington, DC
1999-Present	Board of Directors, Association of Yale Alumni in Public Health
1998-Present	Board of Directors, Association of Schools of Public Health
1994-2000	Temporary Consultant, World Health Organization Programme in Environmental Health
1990-1998	Director, Occupational Epidemiology Unit, School of Public Health and Health Sciences, University of Massachusetts at Amherst
1987-1988 (Greece)	Senior Fulbright Research Scholar and Visiting Professor, University of Athens Medical School
1985-1990	Associate Director, Northeast Regional Environmental Public Health Center, University of Massachusetts at Amherst
1984-1996	Faculty Member, New England Epidemiology Institute

AWARDS AND HONORS:

2003	Yale University Department of Epidemiology and Public Health Alumni Distinguished Service Award
1997	Ormand-Harris Lecturer, University of Alabama
1987-1988	Fulbright Senior Research Fellow, University of Athens Medical School
1982	Elected Fellow, American College of Epidemiology
1979	National Cancer Institute Development Award, "The Histopathobiology of Cancer"
1975-1980	Epidemiology Training Fellowship, National Cancer Institute
1973	Tri-Beta Biological Honor Society
1971-1974	New York State Regents Scholarship

MEMBERSHIP IN PROFESSIONAL AND SCIENTIFIC SOCIETIES:

American College of Epidemiology	Elected Fellow, 1982
	Member, Committee on Ethics and Standards of Practice, 1991-1994
	Member, Education Committee, 1996
American Public Health Association	Elected Member, Epidemiology Section Council, 1989-92
International Epidemiology Association	
International Society for Environmental Epidemiology	
Society for Epidemiologic Research	Elected Member, Executive Committee; 1989-93

COMMITTEES AT THE UNIVERSITY OF SOUTH CAROLINA:

Chair, Associate Provost and Dean of the Graduate School Search Committee
Chair, Council of Academic Deans
Chair, USC Development Committee
Chair, College of Library and Information Science Dean Search Committee
Chair, Sponsored Programs and Research Advisory Group
Chair, USC United Way Fund Drive
Member, Board of Directors, USC Educational Foundation
Member, Ad Hoc Committee on Graduate Assistantships and Publication Rights
Member, Advisory Board, School of Law Healthcare Lecture Series
Member, Advisory Committee, Off-Site Programs
Member, Advisory Committee, Center for Health Promotion and Risk Reduction in Special Populations
Member, Committee on Information Technology
Member, Executive Vice President for Academic Affairs and Provost Search Committee

Member, Research Advisory Council

COMMITTEES AT THE UNIVERSITY OF SOUTH CAROLINA, continued:

Member, Task Force on Informatics and/or Knowledge Management

Member, Task Force on Tobacco Research

COMMITTEES AT THE UNIVERSITY OF MASSACHUSETTS SCHOOL OF PUBLIC HEALTH AND HEALTH SCIENCES:

Member, Dean's Executive Committee

Chair, Strategic Planning Committee

Member, Personnel Committee

Member, Academic Affairs Committee

Member, Program and Budget Council

Member, University Research Council

Member, University Relations and Development Committee

Member, University Health Council

Chairman, University Public Health Committee

OTHER PROFESSIONAL ACTIVITIES:

2003 Advisor on Public Health and Diversity. US Congressional Black Caucus Health Braintrust

2002-2003 Chair, 2002 International State of Science Symposium on Agricultural Exposures and Cancer, Oxford, England

2002-2003 Chair, Scientific Advisory Panel, Farm Family Exposure Study

2001 Associate Editor, *Nonlinearity in Biology, Toxicology, and Medicine* Journal

1999 Member, Commissioner's Task Force on Eliminating Health Disparities, SC Department of Health and Environmental Control

1999 Reviewer, Human and Ecological Risk Assessment

1999 Panel Member, Epidemiology and Biostatistics Section, Howard Hughes Medical Institute Predoctoral Fellowships, National Research Council

1999 Reviewer, Intramural Project Proposals, National Institute for Occupational Safety and Health

1999 Chair, Plenary Session: Issues at the Interface of Epidemiology and Risk Assessment. American College of Epidemiology, Bethesda, MD

1999 Guest Editor, Epidemiology (September 1999), "Methods for Health Impact Assessment in Environmental and Occupational Health: A selection of the papers presented at a consultation sponsored by the World Health Organization and the International Labour Office, Geneva, Switzerland, 9-11 July, 1997."

1998 Faculty, Short Course in Occupational Epidemiology, Harvard Institute for International Development, Bratislava, Slovakia

1998 External Examiner, Oswaldo Cruz Foundation, Rio de Janeiro, Brazil

1997 Panelist, Scientific Symposium on the Epidemiology of Immunotoxicity, Netherlands National Institute of Public Health and the Environment

1997 Member, Expert Panel on Particulate Air Pollution, Environ Corporation

1996-1997 Member, Steering Committee, National Partnering in Maritime Medicine, U.S. Coast Guard Occupational Health and Safety Program

1996-1997 Panelist, National Research Council Fellowship Programs

1996-1997 External Reviewer, ASPH/Centers for Disease Control Internship Program

January 1996 Expert Presenter, American Council of Governmental Industrial Hygienists Sub-committee on Dust and Inorganics

January 1996 Workshop Leader, WHO Course on Environmental Epidemiology, Santiago, Chile

June 1995 Workshop Leader, WHO Course on Environmental Epidemiology, Manila, Philippines

1995-1996 Member, W.H.O. Expert Committee on Epidemiological Approaches to the Assessment of Health Consequences of Major Chemical Incidents

1995 Member, Scientific Misconduct Review Panel, New York State Department of Health

1995-1997 Member, Scientific/Medical Advisory Committee, Lyme Disease Foundation

October 1995 Invited Scientific Observer, IARC Monographs on the Evaluation of Carcinogenic Risks to Humans. Vol. 62, Wood Dust and Formaldehyde

1994-1995 Consultant, Office of Global and Integrated Environmental Health, W.H.O., Geneva, Switzerland (sabbatical)

June 1993 Chair, Scientific Symposium on Ethics in Epidemiology, Society for Epidemiologic Research, Keystone, Colorado

1992-1994 Elected Member, Executive Committee, Society for Epidemiologic Research

July 1991- Co-Chair, Expert Committee to Review Southeastern Massachusetts Leukemia Study, Massachusetts Department of Public Health

November 1992 Invited instructor, short courses in Occupational and Environmental Epidemiology, and Microcomputers in Epidemiologic Research

Summer 1991 Ruhr University, Bochum, Germany
Norway Ministry of Health, Oslo, Norway
American College of Epidemiology, Athens, Greece
New England Epidemiology Institute, Boston

July 1991- Chairperson, Union Carbide Corporation, Scientific Advisory Board

September 1994

March 1989-1993 Member, National Academy of Sciences Committee on Pediatric Respiratory Infections in Developing Nations

January 1986-1993 Consultant, National Academy of Sciences; Board on Science and Technology for International Development

January 1986 Instructor and Workshop Leader, Asian Institute of Technology, National Academy of Sciences Workshop in Epidemiologic Research, Bangkok, Thailand

November 1984- January 1988 Member, New England Regional Task Force on Reducing Cancer Risk

September 1984- July 1985 Member, Massachusetts AIDS Research Council

September 1982- May 1995 Member, Research Advisory Council, Commonwealth of Massachusetts Tumor Registry

June 1982-1986 Member, American Public Health Association/Society for Epidemiological Research - National Committee on Governmental Affairs

January 1982-1986 Book Review Editor, The Epidemiology Monitor

September 1977-80 Member, Board of Editors, Yale Journal of Biology and Medicine

PRINCIPAL AND CO-PRINCIPAL INVESTIGATOR OF GRANTS AND CONTRACTS (SELECTED):

October 1, 2002 – September 30, 2003

Academic Public Health Preparedness Center. Centers for Disease Control and Prevention \$987,000. Co-Investigator

September 30, 2002 – September 29, 2004

Health Promotion and Disease Prevention Research Center. Centers for Disease Control and Prevention. \$2,121,312. Principal Investigator.

September 30, 2001-September 29, 2005

School of Public Health Building Construction. US Department of Energy, \$2,887,000. Principal Investigator.

March 2000 - February 2005

Columbia Area Public Health Professions Partnership. Public Health Professions Partnership Initiative, Robert Wood Johnson Foundation and Association of American Medical Colleges, \$347,500. Principal Investigator.

October 1998-September 1999

Feasibility Study and Schematic Design. EDI-Special Projects, Housing and Urban Development, \$250,000. Principal Investigator.

October 1997-June 1998

Development of an Occupational Surveillance Program for Submariners in the U.S. Navy, \$50,000. Principal Investigator.

March, 1995-February 1999

Occupational Mortality Surveillance. Union Carbide, Praxair, UCAR Corporations, \$360,000. Principal Investigator.

September 1993 - August 1997

Breast Cancer Consortium Interactive Project. National Cancer Institute, \$750,000. Co-Investigator (Mary Costanza, Principal Investigator).

January 1992 - June 1992

Feasibility Plan for Establishment of Occupational Health Surveillance, Chemical Manufacturers Association, \$38,000. Principal Investigator.

1989-1993

Development of an Occupational Health Surveillance System. Occidental Chemical Corporation, \$135,000. Principal Investigator.

December 1989 - June 1990

Development of Occupational Epidemiology Resource Materials. Chemical Manufacturers Association, \$59,000. Principal Investigator.

March 1989 - February 1990

A Retrospective Cohort Study of Lung Cancer Risk Associated with Chromium Production, Occidental Chemical Corporation, \$250,000. Principal Investigator.

March 1987 - February 1991

A Case-Control Study of Acute Prolapsed Intervertebral Disc. (Consortium Arrangement with Columbia University), National Institutes of Health (NIADDK), R-01 AM34851, \$847,537. UMass Component \$259,817. Principal Investigator.

December 1986 - November 1987

A Study of Childhood Ingestion of Soil Contaminated Products. Syntex Corporation, \$270,000. Co-Investigator (E. Calabrese, Principal Investigator).

October 1984 - October 1986

A Study of Exposure to Chemicals in Semi-Conductor Manufacturers and Potential Adverse Reproductive Outcomes. Digital Equipment Corporation, \$438,820. Principal Investigator.

September 1986 - October 1992

"Cancer Incidence and Smoking Behavior among Blacks." National Institutes of Health (NCI), N-01 CN-65028, \$3.2 million. Co-Investigator (W. Darity, Principal Investigator).

October 1985 - May 1986

Development of Computer-Assisted Instruction in Applied Epidemiology. Centers for Disease Control, \$94,347. Principal Investigator.

September 1984 - March 1985

A Training Program in Applied Epidemiology. Centers for Disease Control, \$7,125. Principal Investigator.

April 1983 - March 1984

A Training Program in Applied Epidemiology. Centers for Disease Control/Assoc. of Schools of Public Health, \$30,120. Principal Investigator.

December 1982 - October 1985

A Comparison of Methods for Predicting ICU Mortality. National Institutes of Health (NCHSR), R-01 HS 04833, \$575,556. Co-Principal Investigator (S. Lemeshow, Principal Investigator).

INVITED LECTURES AND PROFESSIONAL PRESENTATIONS (SELECTED):

February 2003

Summit on Technology, *The Role of a Comprehensive Public University in Stimulating Regional Economic Development*, Columbia, SC

April 2001

SC Sustainable Universities Initiative, *Public Health: Where Human Health & the Environment*

- are United, Columbia, SC
- October 1999 SC Environmental Symposium, Pawley's Island, SC, Regulation of Hazardous Air Pollutants in SC (poster with Feigley G, Prince C, Pastides H, Jallow D)
- May 1999 South Carolina Public Health Association Annual Meeting keynote address, *The Health of Public Health: Statewide and Worldwide*, Myrtle Beach, SC
- April 1999 University Associates, *The State of Health in South Carolina*, Columbia, SC
- October 1998 Application of Risk Assessment and Management in Latin America, Rio de Janeiro, Brazil, *Code of Good Epidemiological Practices*
- April 1998 American College of Occupational and Environmental Medicine, *Principles and Methods of Epidemiology* (with Kenneth J. Rothman)
- November 1997 1997 Orman-Harris Lecture, University of Alabama College of Environmental Sciences, *Researching Controversial Public Health Topics*
- June 1995 University of Philippines-Manila College of Public Health, *National Workshop in Environmental Epidemiology*
- January 1994 University of Oslo, *Current Research Issues in Musculoskeletal Epidemiology*
- June 1993 Society for Epidemiologic Research, Keystone, *Ethics in Epidemiology*, Chair of a Scientific Symposium
- October 1992 1992 Orman-Harris Lecture, University of Alabama College of Environmental Sciences, *Successful Epidemiologic Studies: Barriers and Solutions*
- August 1992 International Society for Environmental Epidemiology, Mexico, *Retrospective Estimation of Exposure in Occupational Studies*
- July 1992 Health Surveillance in the European Community, Eastbourne, England, *Occupational Surveillance*
- June 1992 Society for Epidemiologic Research, Minneapolis, *A Retrospective Cohort Study of Chromium Exposure*
- November 1992 American Public Health Association, Chicago, *A Cancer Prevention Intervention Trial*
- February 1989 Maine Department of Human Services, Augusta, ME, *Cancer Epidemiology*
- November 1988 American Public Health Association, Boston, *Cancer Prevention in Black Populations: Survey Methodology*
- March 1988 National Society of Oncology, Greece, *The Epidemiology and Prevention of Cancer*
- June 1987 Society for Epidemiologic Research, Amherst, *Epidemiology as a Fundamental Health Science: Ten Years Revisited*
- December 1987 National Academy of Sciences/National Research Council, *Invited Address - "Microcomputers in Epidemiologic Research"*
- April 1987 New York State Tumor Registrar's Conference, *The Epidemiology of Breast Cancer*
