

Search Announcement: Associate Dean for Academic Affairs – USCSOM Greenville

USCSOM Greenville seeks to identify candidates for the administrative position of Associate Dean for Academic Affairs. The successful candidate will demonstrate strong professional commitment and a consistent record of professional accomplishments in teaching, research/scholarship, professional service, and clinical practice. This full time appointment will be filled through a national search process. The Associate Dean for Academic Affairs will report directly to the Dean and will lead the academic affairs operations and programming for USCSOM Greenville and Greenville Health System.

USCSOM Greenville is located at the heart of the Greenville Healthcare System, South Carolina's most comprehensive hospital system, and is founded upon more than two decades of partnership in providing comprehensive medical education to students from the University of South Carolina, the state's flagship public university. The undergraduate medical curriculum stresses collaborative learning; integration of direct patient care throughout all four years of training; interdisciplinary team-based care; interpersonal skills with an emphasis on communication; integration of research with real-world concerns; and life-long learning. The School graduated its inaugural class in the spring of 2016. The vision of USCSOM Greenville is to educate and advance knowledge to transform healthcare for the benefit of the people in the diverse communities we serve.

The city of Greenville, a culturally diverse and economically strong community with an abundance of amenities, is consistently ranked as one of the nation's best places to live. Greenville is a mid-sized metropolitan area with a low cost of living, a temperate seasonal climate, exceptional healthcare, and an award-winning school system; located at the intersection of Interstates I-26 and I-85 midway between Atlanta, Charlotte, and Asheville; and within a 1-4 hour drive of mountains, lakes, beaches, whitewater rivers and fly-fishing streams.

Key Responsibilities:

- Provides support for development, delivery, and assessment of the educational activities of all pedagogies, including simulation, classroom small group, and technology/web-based for USCSOM Greenville and GHS programs.
- Provides expertise for instructional design, assessment, and evaluation, and mapping of outcomes to objectives for accreditation, compliance, and continuous improvement
- Serves as a key member of the Dean's Cabinet team, responsible for leadership of the undergraduate medical education (UME) program of USCSOM Greenville and Greenville Health System
- Provides leadership across the range of undergraduate, graduate, and continuing medical education
- Oversees evaluation/assessment to achieve institutional education objectives and comply with LCME accreditation standards
- Works collaboratively with the Dean's Cabinet, clinical department chairs, faculty, and leadership of the shared academic health center to facilitate curricular innovation; optimize the clinical learning environment; establish curricular strategies and resources to enhance teaching skills; promote CME/MOC; and facilitate special programs like IPE, population health management, lifestyle medicine, etc.,.

- Provides administrative oversight for support resources to include simulation center operations, library, anatomy lab, willied body program, and education facilities
- Provides leadership through Dean's Cabinet for development and implementation of necessary institutional policies/procedures and takes lead responsibility for those regarding education issues
- Champions diversity and inclusion in all academic endeavors
- Integrates the programs and objectives of the Office of Academic Affairs through open communications with associate deans in administrative & faculty affairs, student affairs, and institutional culture & inclusivity
- Provides administrative leadership and support for the Curriculum Committee for integrated central oversight of the medical school curriculum
- Partners with Student Affairs and the Student Evaluation and Promotion Committee to promote optimal student performance and academic success
- Participates in SOM teaching, GME instruction, scholarship, and/or clinical practice a minimum of one day per week
- Serves as the USCSOM Greenville Chief Academic Officer in the absence of the Dean

Required:

- Terminal degree: MD or MD/PhD or equivalent degree in health, science, education or related field
- Current medical license and board certification

Preferred:

- Clinical Department, graduate medical education, and/or medical school administrative leadership experience (five years or more)
- Evidence of commitment to integration of medical education within the health system clinical learning environment
- Physician leader with clear record of preparation for administrative leadership in academic medicine (e.g., Dean, Associate Dean, etc.,)
- Demonstrated regional/national/international leadership within a medical specialty or subspecialty organization (national committee officer, journal editor, chair professional practice guidelines working group, specialty board membership, etc.,)
- Differentiating teaching awards or other demonstrated enduring commitment to education/learning/teaching

Interested applicants should submit a cover letter and current curriculum vitae.. Review of applications is ongoing and will continue until the position is filled. Please send all inquiries and materials for consideration to the following email address: Recruitment@greenvillemed.sc.edu The cover letter should be addressed to the attention of:
