Our Promise to the Community
We believe everyone should have access to quality primary healthcare by a caring staff.
Who we are

Started in 1998, the Children and Family Healthcare Center (CFHC) is owned and operated by the College of Nursing, University of South Carolina. It is under the umbrella of University Specialty Clinics. The Center serves more than 7,000 patients and provides a comprehensive range of pediatric and specialty services from birth through older adulthood. The Center addresses an urgent need for providing health care to children coming into the foster care system and accepts clients of any age and income level including Medicaid, Medicare, and private insurance.

Who provides the care?

Nurse Practitioner faculty from the USC College of Nursing are the primary health care providers at the Children and Family Healthcare Center. USC students in nursing, social work and pharmacy receive clinical experience at the Center. This quality clinical practice environment provides expert faculty and students with practical real life clinical opportunities that are academically strong and demonstrate evidence based practice.

How We Make A Difference

We believe EDUCATION and PREVENTION are the keys to healthy families and individuals. Our programs include:

- Outreach programs funded by caring donors that provide field trips to the zoo and Edventure are designed to give children educational opportunities they might not be able to afford.
- A toy from the “Magic Closet”, a book from the reading library and warm caring competent staff who answer questions with compassion to assure that every child and adult feels special and leaves our Center with a smile on their face.
- Reach Out and Read, a federal program provides free books to children.
- Accessible location to adult and pediatric patients who are faced with complicated health problems.
- Understanding of the foster care system.
- Expertise regarding victims of physical neglect, physical abuse and sexual abuse.

Pediatric & Adult Health Services We Provide

- Treatment & management of acute & chronic illnesses
- Annual exams for children and adults of all ages
- Work, school, camp and sports physicals
- Immunizations, growth and developmental screenings
- Gynecological care (pap smears, breast exams, and pregnancy tests, contraception)
- Best Chance Provider
- Weight and stress management, nutrition/exercise education, and smoking cessation
- Laboratory testing
- Blood pressure screening and blood sugar monitoring
- Cholesterol and triglyceride screening
- Geriatrics assessment
- Mental and behavioral health screening and counseling
- Referrals, outreach and educational programs

Who will you help us make a difference?

USC College of Nursing is committed to keeping the CFHC open. As a result of state cuts to Medicaid and cuts in other funding sources for vulnerable populations, the Center’s resource needs are urgent, we need your help to continue the excellent care we are providing.

You can help us by establishing your legacy and ensuring the permanency of the CFHC:

- Create an endowed naming gift: $5,000,000
- Endowed Professorship: $500,000
- Endowed Nurse Practitioner: $300,000
- Endow a fund of $25,000 to support client care
- Donate $500 per year for essential supplies
- Donate $100 per year to provide vitamins, o.t.c. medication, clothing, and transportation
- Donate $50 per year to provide books, educational experiences and toys
- Donate new or "slightly used" clothing, books and toys for the “Magic Closet”
- Volunteer at the Center
