The University of South Carolina College of Nursing presents
The Summer Simulation Institute
Simulation Essentials for the Healthcare Educator

The University of South Carolina College of Nursing’s Clinical Simulation Lab is a nationally recognized model for quality simulation training for health professionals. In our state of the art clinical simulation laboratory, we provide innovative learning experiences for large volumes of pre-licensure nursing students (480 students/semester), graduate nursing students, practicing nurses, other health sciences students and professionals (pharmacy, EMT), and high school students.

At the Summer Simulation Institute you will learn the essential skills to be an effective simulation educator.
