General Instructions

Thank you for your help with this important study. It will help us understand what things are like for people your age today and help to identify effective ways to reduce risk behaviors. This survey includes questions about your family, friends, school, and also your attitudes and behaviors. Your answers and everything you say will be kept private. Your name will not be on the survey. Please answer all questions as well as you can.

We want you to know that:

1. Your participation in this survey is voluntary.

2. We hope that you will answer all the questions, but you may skip any questions you do not wish to answer.

3. The answers you give will be kept private. Your responses will be combined with those of other people your age.

PLEASE READ EACH QUESTION CAREFULLY: There are different ways to answer the questions in this survey. It is important that you follow the instructions when answering each kind of question.
