

University of South Carolina

The purpose of the Student Success Center is to coordinate an intentionally-designed, comprehensive array of programs, resources, and services that guide students to degree completion at USC through promoting academic goal-setting and skill development, personal transition to the university setting, and effective decision-making.

Supplemental Instruction

Supplemental Instruction (SI) is a learning enhancement program designed to help students succeed in classes in which a larger than average percentage of students have earned below a C or withdrawn from the course.

Courses include: Accounting, Biology, Chemistry, Psychology, Computer Science and Engineering, Economics, Philosophy, History, Journalism, and Math.

SI sessions are open to all students enrolled in these courses.

Success Initiatives for Special Student Populations

Student Success Initiatives are available for Out of State Students and Transfer Students. If you would like to be paired with a transfer or out of state student mentor please fill out a mentee application at...

www.sa.sc.edu/ssc/opportunities.htm

Additionally programs and services are available for: Students of Color, Sophomores and Scholarship Recipients

For more information contact: Angela Street, Coordinator of Initiatives for Special Student Populations, angelastreet@sc.edu, (803) 777-4163

Tutoring

Tutoring services are open to all USC students and are free of charge. Tutors are available in select courses in the following subject areas.

- Chemistry, Biology, Spanish, Math, Nursing, Criminal Justice, Physics, Statistics

Students can make an appointment with a tutor for one-on-one or small group tutoring on a first come, first served basis.

For more information contact: Asheley Schryer, schryer@sc.edu or (803) 777-4064

First Year Call Center

USC students are hired and trained to call first year students to check on their adjustment to USC, provide them with important information and resources and check for student satisfaction.

\*All first year students will be contacted during the fall and spring semester by a first year call center representative.

For more information contact: Katie Lynch, Coordinator of Early Intervention Initiatives, katie.lynch@sc.edu, (803) 777-4186
