THE SOUTH CAROLINA GOVERNOR  
The Emergence of an Institution  
Luther F. Carter and Richard D. Young

In an analysis of South Carolina's historical governorship from the prerevolutionary period to the beginning of the twenty-first century, this survey demonstrates the distinctive changes in the gubernatorial style, authority, and leadership from the past to the present. The authors analyze the formal and informal powers of the office and explore the possible roles the governmental office will play in the future. Complete with an appendix detailing the day in the life of a governor, this guidebook helps readers understand the influence and necessity of the governor's office on contemporary politics.

SOUTH CAROLINA GOVERNMENT  
An Introduction  
Edited by Charlie B. Tyer

South Carolina Government: An Introduction offers a compelling and comprehensive overview of the responsibilities and powers of government at the local, municipal, county, and state levels in South Carolina. Paying particular attention to fiscal policy, tax issues, and governmental planning, the contributors explain duties and connections between various state institutions and discuss key components of contemporary government from human resource management and budgeting to special interest groups, political parties, and elections.

Available, 400 pages, 978-0-917069-12-3, pb, $40.00

SOUTH CAROLINA GOVERNMENT  
A Policy Perspective  
Edited by Charlie B. Tyer

Building on the foundation of South Carolina Government: An Introduction, this follow-up volumes offers an edifying and instructive collection of material on South Carolina at the outset of the twenty-first century. Articulating the state's change from an agrarian-based society to an industrial and tourist economy, this volume explores the changing intergovernmental, demographic, and global contexts for the state and delves into the educational, environmental, and health issues facing policymakers. The contributors also provide an extensive analysis of women and minorities in politics, racial and religious influences in the rise of republicanism, and the current effects of the information age on government.
