THE MOBILE RIVER

John S. Sledge

The Mobile River presents the first-ever narrative history of this important American watercourse. Inspired by the venerable Rivers of America series, John S. Sledge weaves chronological and thematic elements with personal experiences and more than sixty color and black-and-white images for a rich and rewarding read.

The Mobile River appears on the map full and wide at Nannahubba, fifty miles from the coast, where the Alabama and the Tombigbee Rivers meet, but because it empties their waters into Mobile Bay and subsequently the Gulf of Mexico, it usurps them and their multitudinous tributaries. If all of the rivers, creeks, streams, bayous, boughs, branches, swamps, sloughs, rivulets, and trickles that ultimately pour into Mobile Bay are factored into the equation, the Mobile assumes awesome importance and becomes the outlet for the sixth-largest river basin in the United States and the largest emptying into the Gulf east of the Mississippi River.

Previous historians have paid copious attention to the other rivers that make up the Mobile's basin, but the namesake stream along with its majestic delta and beautiful bay have been strangely neglected. In an attempt to redress the imbalance, Sledge launches this book with a first-person river tour by “haul-ass boat.” Along the way he highlights the four diverse personalities of this short stream—upland hardwood forest, upper swamp, lower swamp, and harbor.

In the historical saga that follows, readers learn about colonial forts, international treaties, bloody massacres, and thundering naval battles, as well as what the Mobile River’s inhabitants ate and how they dressed through time. A barge load of colorful characters is introduced, including Indian warriors, French diplomats, British cartographers, Spanish tavern keepers, Creole women, steamboat captains, African slaves, Civil War generals and admirals, Apache prisoners, hydraulic engineers, stevedores, banana importers, Rosie Riveters, and even a few river rats subsisting off the grid—all of them actors in a uniquely American pageant of conflict, struggle, and endless opportunity along a river that gave a city its name.

June 2015, 352 pages, 18 color and 43 b&w illus.
