**National Fellowships With Early Summer Deadlines**

**Tylenol Scholarship**
The makers of TYLENOL® are excited to support students who pursue a healthcare-related education by awarding $250,000 in scholarships. **Electronic application deadline: Friday, May 27.**

**Scotland Saltire Scholarships**
Awarded by the British Council Scotland, this program supports graduating seniors who want to pursue full time masters programs, either taught or research, at one of 17 Scottish universities, with the opportunity to live and work in Scotland for two years after graduation. Each of the 200 awards is worth up to £2000. **Application materials due electronically by the end of the day Friday, June 17.**

**MEXT Japanese Studies Student Scholarship**
The Japanese Government’s Ministry of Education, Culture, Sports, Science and Technology (MEXT) offers scholarships for academic study in Japan to international students interested in deepening their understanding of the Japanese language, Japanese affairs and Japanese culture. **Applications materials due to OFSP by noon, Thursday, June 30 for overnight mail for receipt July 5.**

**Glamour Top Ten College Women**
Glamour’s Top 10 College Women Awards spotlight college women from across the United States with an annual competition that recognizes leadership, involvement on campus and in the community, excellence in your field of study, and unique, inspiring goals. Each winner receives $2,000 cash prize, a trip to New York, opportunities to meet with top professionals in a variety of fields, and national recognition in the magazine. **Application materials due electronically Friday, July 15.**

**Links To Other Opportunities**

**South Carolina Tax Council**
Several scholarships are given each year in $500 and $1,000 increments to accounting students attending South Carolina Colleges, Universities, Junior Colleges, or Technical Colleges. **Application materials due to OFSP by noon, Wednesday, May 11 for overnight mail for receipt May 13.**

**U.S. Department Of Commerce Internship Program For Postsecondary Students**
Graduate or Junior/Senior level students in the fields of BSEE, chemical, mechanical or robotic engineering disciplines who are looking for hands-on education and training for 10 weeks with the Department of Commerce should consider this opportunity. Desired skills include wireless telecommunications and/or radio communications. Students in chemical, mechanical, or robotic engineering disciplines will be considered if working on research projects that involve wireless technology or dealing with the RF environment. The internship provides a weekly stipend, a housing allowance, and accidental medical expense coverage provided. **Application receipt date is Friday, May 27, 2011.**

**The Endeavour Postgraduate Award**
This award provides financial support for students for up to 4 years to undertake a postgraduate qualification at a Masters or PhD level either by coursework or research in any field of study in Australia. Proof of acceptance at an Australian institution must accompany the application. **Electronic application due June 30, 2011.**

**OFSP Summer Hours**
Although our drop in hours end Friday, April 22, our office is open and our services are available during exams and throughout the summer – in person and electronically. In fact, we encourage you to use this time to research scholarships which interest you and let us know of your questions. We are happy to make appointments so e-mail us at ofsp@sc.edu or call 777-0958 to schedule a convenient day and time.
