Search for Courses by Instructional Method

First: Log in to Self Service Carolina at my.sc.edu.

1. Click on the Student tab.
2. Click on Registration.
3. Click on Register for Classes.
Search for Courses by Instructional Method

4 Select the term and click Continue.

5 In the top block of the next page, select your campus.
Search for Courses by Instructional Method

6 Click Advanced Search.

7 Scroll down to select the Instructional Method by which you would like to search.
Search for Courses by Instructional Method

**tip** If you are searching for a **specific course** offered using a certain instructional method, enter the course subject (e.g. BIOL) and number (e.g. 101) in the necessary fields, select the Instructional Method, and click Search.

**tip** If you are searching for **all courses** offered using a certain instructional method, leave the course subject and number fields blank, select the Instructional Method, and press Enter on your computer keyboard.
