**Graduation Requirements Summary** 

Minimum Total Hours	Minimum Major Requirements Hours <sup>7</sup>	Minimum College & Program Requirements Hours	Carolina Core Hours	Minimum Institutional GPA
122	27	52-64	31-43	2.800

- 1. Regardless of individual course grades, students must maintain a minimum 3.65 cumulative GPA at the end of their first year (fall, spring, summer term) followed by a 3.500 at the end of the third semester.
- 2. Some colleges require a minimum GPA for major courses. Courses indicated in this column are included in the major GPA for this program of study.
- 3. Students who do not place into MATH 122 or MATH 141 and do not bring in additional advanced credit may need to enroll in 18 hours each term freshman year.
- 4. Students in the International Business: Middle East and North Africa Business major must complete a minimum of four 300-level or higher Arabic language courses as part of their required program components. The Arabic Language Placement test will determine at which level the student will begin. Students may fulfill minor or cognate requirements through completion of the foreign language requirement. The language requirement for the IBMENA program is heavily dependent on incoming language level. If students enroll at UofSC with A4 on their Arabic placement test, they may not be required to participate in the summer language institute.
- 5. The Carolina Core provides the common core of knowledge, skill and academic experience for all Carolina undergraduate students.
- 6. International Business: Middle East and North Africa Business majors are required to study abroad in the 3<sup>rd</sup> and 4<sup>th</sup> semesters, as well as the summer before the 3<sup>rd</sup> semester. A summer program following the 4<sup>th</sup> semester is optional. Course selection is subject to availability at partner school with advisor approval.
- 7. International Business majors are required to complete a second functional major in the business school. Total program hours and number of courses may vary, depending on the major chosen. Based on choice of major and entering language ability, students may exceed 15 hours some semesters and/or need summer coursework. However, many students bring in AP/IB credit to satisfy some course requirements.
- 8. International Business major courses
  - a. Functional Courses (3 hours): ACCT 426, IBUS 401, 402, 403, 405 (or MGSC 405), 430, 432; MGMT 406; ECON 503, 504, 505
  - b. Thematic Courses (3 hours): IBUS 422, 423, 424, 425, 426, 427, 428, 429, 431, 433, 434, 435, 521
  - c. Regional Courses (6 hours): two courses with focus on the MENA region
- 9. The total number of elective hours required depends on the number of hours used to fill other degree requirements, including the minor or cognate, multiple business majors or the business analytics concentration. No courses of a remedial, developmental, skill-acquiring, or vocational nature may apply as credit towards degrees in the Darla Moore School of Business. Coursework in MATH/STAT below the Moore School minimum requirements (ex: MATH 111 or STAT 110) or 1 credit performance or PEDU classes may not be included. Options to meet this requirement may include: preprofessional coursework, an accelerated master's program (maximum of 4 courses if not counted elsewhere in the degree), lower-level language courses (100-200 level in addition to Carolina Core requirements), electives, or a second business major. Consultation with your academic advisor is required to determine appropriate use of the electives.
