

This course plan is a recommended sequence for this major. Courses designated as critical (!) may have a deadline for completion and/or affect time to graduation. Please see the Program Notes section for details regarding "critical courses" for this particular Program of Study.

| Critical       | Course Subject and Title  | Credit | Min.<br>Grade <sup>1</sup> | Major |              | Prerequisites   | Notes |
|----------------|---|--------|----------------------------|-------|--------------|---|-------|
|                | er One (16 Credit Hours)  |        | r                          |       | I            |   |       |
|                | ENGL 101 Critical Reading and Composition   | 3      | С                          |       | CC-CMW       |   |       |
| !              | MATH 141 Calculus 1 <sup>3</sup>  | 4      | С                          |       | CC-ARP       | Math 112/115/116 or Math placement test score   |       |
|                | CHEM 111 & CHEM 111L – General Chemistry I  | 4      | С                          |       | CC-SCI       | MATH 111, 115 or Math placement test score  |       |
| !              | PHYS 199 Meas. & Analysis in Physics (offered fall only)  | 2      | С                          |       | PR           | C or better in MATH 115 or higher   |       |
|                | UNIV 101 The Student in the University<br>or Carolina Core Requirement <sup>4</sup>   | 3      |                            |       | PR/CC        |   |       |
| Somost         | er Two (17 Credit Hours)  |        |                            |       |              |   |       |
| Jennesite<br>! | ENGL 102 Rhetoric and Composition   | 3      | С                          |       | CC-CMW       |   |       |
| :              |   | 5      | C                          |       | CC-INF       |   |       |
|                | MATH 142 Calculus II  | 4      | С                          |       | CC-ARP       | MATH 141  |       |
|                | CHEM 112 & CHEM 112L – General Chemistry II   | 4      | C                          |       | PR           | CHEM 111 or 141 & MATH 111, 115 or  |       |
|                | GHEM THZ & GHEM THZE - General Chemistry II   | 4      | C                          |       | FK           | higher math; Prereq or Coreq: MATH 122,<br>141 or higher & CHEM 112L  |       |
| !              | PHYS 211 Essentials of Physics I  | 3      | С                          |       | CC-SCI       | MATH 141  |       |
|                | Carolina Core Requirement <sup>4</sup>  | 3      |                            |       | CC           |   |       |
| Semeste        | er Three (16-17 Credit Hours)   |        |                            |       |              |   |       |
| !              | MATH 241 Vector Calculus  | 3      | С                          |       | PR           | MATH 142  |       |

|                | Approved Elective <sup>7</sup>  | 1-3    |                            |       | PR           |   |       |

## **Graduation Requirements Summary**

| Minimum Total<br>Hours | Minimum Major<br>Requirements Hours | College & Program<br>Requirements Hours | Carolina Core Hours | Minimum<br>Institutional GPA |  |
|------------------------|-------------------------------------|---|---------------------|------------------------------|--|
| 120                    | 32                                  | 44-55                                   | 33-45               | 2.000                        |  |

- 1. Regardless of individual course grades, students must maintain a minimum 2.000 cumulative GPA.
- 2. Some colleges require a minimum GPA for major courses. Courses indicated in this column are included in the major GPA for this program of study.
- 3. Students who do not place into MATH 141 will be required to successfully complete MATH 112, 115, or 116 before taking MATH 141.
- The <u>Carolina Core</u> provides the common core of knowledge, skill and academic experience for all Carolina undergraduate students.
   Students in the College of Arts and Sciences are required to demonstrate proficiency in one foreign language equivalent to the 122 course through
- course credit or the corresponding foreign language placement score.
- 6. The College of Arts and Sciences requires one U.S. History and one non-U.S. History course, both of which must be chosen from the approved Carolina Core GHS courses. Whichever is not fulfilled through the Carolina Core GHS requirement must be fulfilled through this college requirement.
- 7. No courses of a remedial, developmental, skill-acquiring, or vocational nature may apply as credit toward degrees in the College of Arts and Sciences. The College of Arts and Sciences allows the use of the Pass-Fail option on elective courses. Further clarification on inapplicable courses can be obtained from the College of Arts and Sciences.

3. Experimental Physics electives include but are not limited to:

| Choose from the following (4 hours):                       |   |  |  |  |  |
|--|---|--|--|--|--|
| PHYS 509 Solid State Electronics (4) (offered spring only) | PHYS 514 Optics, Theory, and Applications (4) (offered fall only) |  |  |  |  |
| PHYS 510 Digital Electronics (3)                           | PHYS 521 Biophysics (4)   |  |  |  |  |
| PHYS 511 Nuclear Physics (4) (offered spring only)         | PHYS 542 Advanced Experimental Physics II (4)                     |  |  |  |  |
| PHYS 512 Solid State Physics (4) (offered spring only)     |   |  |  |  |  |

## Program Notes:

- ENGL 101 and ENGL 102 must be completed in the student's first 60 semester hours of work in order for these courses to be credited toward graduation. Other courses designated as critical are prerequisites for subsequent courses, and a delay in completion of these courses may affect time to graduation.
- All undergraduate students must take a 3-credit course or its equivalent with a passing grade that covers the founding documents. This course may fulfill any requirement in the program of study. Courses that meet this requirement are listed in the academic bulletin.
- The last 30 credit hours toward your degree must be earned in residence at the University of South Carolina-Columbia.

University Requirements: Bachelor's degree-seeking students must meet Carolina Core (general education) requirements. For more information regarding these requirements, please visit the <u>Carolina Core</u> page on the University website.

| Codes: |  |        |   |
|--------|--|--------|---|
| CC     | Carolina Core  | CC-INF | Carolina Core – Information Literacy                      |
