USC Bursar's Office
Attention: Kyana McNeil

****Please send original to 1244 Blossom Street, Suite 128****

Department Name: 

Business Manager Contact: ___________________________ Phone: ___________________________

Fax: ___________________________ Email Address: ___________________________

Department Contact (if different from above): 

Position or Title of Contact: 

- [ ] I want to build an online store.
- [ ] Identify your Department or College: 
- [ ] I want to attach to an existing Marketplace Department or College:
  Department or College ___________________________
  Department or College Merchant Manager _______________________

Please describe in detail your business proposal. Please make sure to include information such as:
What are you planning to sell? What is the purpose of the products and/or services? Will items require shipping?
APPLICATION for Store in the USC TouchNet Mall

Each Department or College in the USC TouchNet Mall will have the ability to create multiple uStores and uPay sites. Please be aware that if you are approved for a USC Store or USC uPay site you will be required to monitor and manage those stores. If the Department or College is requesting a Store or uPay site in the USC TouchNet Mall, and you already have a USC Store, you may be required to re-build your store under the guidance of the University Bursar.

EXISTING EQUIPMENT/SYSTEM INFORMATION

As a matter of policy, all existing POS equipment must be identified to the University Bursar at the time of application:

Is there currently Point of Sale equipment located in your Department or College? ____________________________
Is there currently an online credit card system? □ Yes □ No
If you have identified equipment, what merchant number has been assigned to this equipment and/or system?

DEPARTMENT AND FUND INFORMATION FOR MARKETPLACE USAGE

Please provide accounting information for:
