Awards will be made to students via the already-established aid awarding process. These awards will be refunded regardless of any balance on the students' account, per statute. Refunds will be sent via direct deposit or paper check, depending upon the student's already-chosen method with the Bursar's Office.

In early June, any HEERF II funding that had been declined by awardees was reallocated to students who accepted an initial HEERF II award and maintained eligibility for Title IV federal student financial aid. This additional award was \$28.00 per recipient. Students will have the option to sign a consent form to pay any current balance.
