Next Steps:

• Once you complete your certification, the report will:
  – Route to your primary supervisor for review and certification
  – Then to the PI(s) of the projects your salary was charged for review and certification

• If a correction is requested at any step of the process (and the form is recycled), it will route back to the Business Manager to make any needed adjustments.

• The Business Manager will then re-submit the report for re-certification.
