Parking Facilities Description

Existing Facilities

The parking facilities currently in operation include eight multi-level parking garages with a total of 6,146 spaces (reserved, guaranteed, and metered parking spaces) located in the garages. These garages are located in the following areas: Pendleton Street Garage (1500 block of Pendleton Street), Senate Street Garage (1600 block of Senate Street), Business Administration Garage (1700 block of Pendleton Street), Blossom Street Garage (1300 block of Blossom Street), Computer Center Garage (500 block of Sumter Street), Bull Street Garage and Annex (600 block of Bull Street), Hampton Street Garage (1600 Hampton Street) and Dodie Garage (1320 Heyward Street). In addition, currently operated facilities include surface lots with a total of 5,819 spaces and 123 metered spaces. Existing spaces at the Columbia Campus total 11,873 spaces. The number of daily spaces will fluctuate due to construction and other campus needs. Of the 6,146 garage spaces, 5,103 are dedicated for reserved and guaranteed parking.

- (1) The number of permits available does not directly correspond to the number of reserved spaces due to the practice of oversubscribing, as described in footnotes (2), (3), and (4) below.
- (2) 1300 Blossom Street Garage has 912 spaces. Because spaces are not assigned individually, the University has oversubscribed the facility by issuing 1,052 permits.
- (3) 600 Bull Street Garage, formerly referred to as 1400 Blossom Street Garage, was completed in August, 1996. There are 536 hourly spaces (counted as metered spaces) and 1,734 reserved spaces. Because spaces are not assigned individually, the University has oversubscribed the facility by issuing 2,208 permits.
- (4) Senate Street Garage was opened in August, 1992. Senate Street Garage has 785 spaces. Because spaces are not assigned individually, the University has oversubscribed the facility by issuing 1,021 permits.
- (5) Several of the garages were reconfigured during 2011 and 2013 resulting in changes in the number of available spaces which in turn impacted the number of available permits.

Innovista Garages. The University Development Foundation also manages and operates two garages, through a single member LLC, that were previously leased from the Columbia Facilities Parking Corporation (the "Corporation"). These garages, known as Horizon and Discovery, are located on the Columbia Campus, and were purchased by the Foundation in February of 2017 from the Corporation and had been recorded by the University as a Capital Lease. These garages are not included in the Facilities that generate Net Revenues pledged to the payment of the Bonds and therefore the related financial activity is excluded from all of the financial information regarding the Facilities which is provided herein. The Horizon and Discovery garages have 970 and 1,398 spaces, respectively. The Capital Lease payment by the University during the Fiscal Year ended June 30, 2017 was \$979,456.

Alternative Parking Facilities. Certain parking facilities on non-University parking sites, as more fully described below, are not necessarily viewed by students as viable alternatives, either due to cost or distance.

The main campus of the University is located in the downtown area of Columbia, South Carolina. The City of Columbia (the "City") operates a number of parking facilities in the downtown area. The City's off-street facilities are comprised of the Arsenal Hill parking garage (located 15 blocks from the heart of the Columbia Campus), the Lady Street parking garage (located 6 blocks from the heart of the Columbia Campus), the Cannon parking garage (located 7 blocks from the heart of the Columbia Campus), the Lincoln Street parking garage (located 8 blocks from the heart of the Columbia Campus), the Park Street parking garage (located 5 blocks from the heart of the Columbia Campus), the Sumter Street parking garage (located 6 blocks from the heart of the Columbia Campus), the Taylor Street parking garage (located 8 blocks from the heart of the Columbia Campus), and the Washington Street parking garage (located 7 blocks from the heart of the Columbia Campus). The number of spaces and hours of operation of each of these facilities are set forth in the following table.

Facility	No. Spaces	Monthly Rates	Hours of Supervised Operation

(1) The first number is the monthly rate for an unassigned space; the second number is the monthly rate for an assigned space. Hourly rates are \$1.00 for first and second half hours and \$1.00 per hour thereafter.

(2) Metered spaces and monthly parking by permit only.

(3) All spaces are unassigned. An additional 119 spaces with parking meters are available. This garage does not have supervised hours of operation due to the high number of monthly contracts in place. To enforce payment, monthly ticketholders display a parking permit; meters are periodically checked.

All of the attended off-street facilities have the same hourly rates: \$1.00 for the first half-hour, \$1.00 for the second half-hour, and \$1.00 for each hour thereafter, up to a maximum of \$10.00 per day.

The City had approximately 4,400 metered spaces as of January 2018. Generally, meter rates are on a \$1.00 per hour basis. Time limits on these meters range from 30 minutes to 10 hours, with the predominant time limit being 2 hours.

There are also a number of private off-street parking garages and lots located in the City which may, to some extent, compete with the Parking Facilities of the University. Most of these facilities serve the parking needs of the office workers and visitors within a particular building, and accordingly have few spaces available for daily parkers. Some of the more prominent garages and lots in the downtown Columbia area are set forth below:

Assembly Street (at Taylor Street). This facility is nine blocks from the heart of the Columbia Campus and currently is leased to a private entity.

IT-ology Tower. This facility is four blocks from the heart of the Columbia Campus and has 557 total spaces, of which approximately 170 are under monthly contract and 66 are reserved for visitors. Daily rates are \$1.25 for the first half hour and \$2.00 per each additional hour up to a maximum of \$7.00 per day; monthly rates are \$75.00 for open spaces and \$85.00 for reserved spaces. The hours of operation are 7:00 a.m. to 6:30 p.m., Monday through Friday.

Bank of America Plaza. This facility is twelve blocks from the heart of the Columbia Campus and has 990 total spaces, of which 728 are under monthly contract. Daily rates are \$1.00 per hour up to a maximum of \$12.00 per day; the monthly rates are \$65.00/55.00. The hours of operation are 8:00 a.m. to 6:00 p.m., Monday through Friday.

Keenan Garage. This facility is five blocks from the heart of the Columbia Campus and has 843 spaces under monthly contract and 36 visitor spaces. Daily rates are \$2.00 per hour up to a maximum of \$8.00 per day; the monthly rate is \$75.00. The hours of operation are 10:00 a.m. to 6:00 p.m., Monday through Friday.

Jefferson Square Garage. This facility is eleven blocks from the heart of the Columbia Campus and has approximately 500 total spaces. Monthly Rates are \$55.00/25.00/15.00, depending upon location in the garage. The hours of operation are 8:30 a.m. to 5:30 p.m., Monday through Friday.

Meridian Parking Garage. This facility is seven blocks from the heart of the Columbia Campus and has approximately 950 total spaces. Daily rates are \$1.00 per half-hour up to a maximum of \$10.00 per day; monthly rates are \$150/120/90/60, depending upon location in the garage. The hours of operation are 7:00 a.m. to 7:00 p.m., Monday through Friday.

Bookstore – Upstate Campus

This institutionally operated bookstore opened in the Bond funded facility in January of 2009. The facility is approximately 8,500 sq. ft. and carries over 700 titles each semester. In addition to academic books, the bookstore also carries Spartan Athletic wear and a variety of student supplies and sundries.

⁽¹⁾ Non-student prices. Includes Admission Fee (\$8.00 fee beginning in 2013, \$3.00 fee for 2012 and prior), State admissions taxes, and for the Clemson University and University of Georgia games, a \$10.00 academic scholarship fee (none of which constitute Revenues of the Athletic Department). In addition, the rules of the NCAA and the SEC provide that certain complimentary tickets may be distributed. Amounts reflected are grouped by season ticket price followed by ranges in individual game prices as set for each season.

⁽²⁾ Includes students who do not pay the Admissions Fee.

⁽³⁾ A student athletic activity fee is charged to full-time students as a part of tuition and fees. This fee, which currently is \$52.00 per semester, is allocated to the Athletic Department as Revenues for allowing student access to athletic events in lieu of ticket charges.

* The scheduled LSU home game was moved to LSU due to flooding in Columbia.

The University

History

The University is the 25th oldest institution of higher education in the nation and the first to be fully supported by any state. Founded in 1801, it opened its doors in 1805. The University is the largest teaching and research institution of higher education in the State, with eight campuses enrolling more than 50,000 students. It is expanding academically and physically to meet the challenges of the times and to better perform its function of service to the citizens of the State and nation. The University has a prime influence on the economic and social growth of the State and region.

The University's central campus is located in downtown Columbia ("Columbia Campus") within two blocks of the State Capitol. Midway between New York and Miami on US 1 (with Interstate 20, Interstate 26, Interstate 77, and many other federal highways intersecting there), Columbia has twice been designated an "All America City" in national competition. With a population of over 500,000 in the Columbia metropolitan area, Columbia lies almost at the geographical center of the State. Major airlines offer jet service only 15 minutes from the University's Columbia Campus. A widespread system of modern highways brings the Columbia Campus of the University within a three-hour drive of any point in South Carolina.

Organization and Administration

The University is governed by a Board of Trustees composed of three *ex officio* members – the Governor of the State (or her designee), the State Superintendent of Education, and the President of the University of South Carolina Alumni Association – and seventeen other members, including one member from each of the sixteen judicial circuits elected by the general vote of the General Assembly, and one at-large member appointed by the Governor. The administrative structure includes: president; provost; vice presidents; chancellors; and deans of each of the schools, colleges, and regional campuses.

The following sets forth the members of the Board of Trustees elected by the State General Assembly, the dates their terms expire and their place of residence:

Undergraduate. The recruitment staff of the Office of Undergraduate Admissions at the Columbia Campus of the University strives to take a personalized approach in its student recruitment efforts. Each admissions counselor is assigned geographic areas, both in-state and out-of-state, as their target recruitment areas. Counselors travel in those areas for college-day programs and high school private visits, and communicate with applicants and prospective applicants from those areas. All accepted students receive a series of personalized letters from various offices on campus and many receive telephone calls from faculty members in their chosen academic area. Information sessions and receptions are held in cities throughout the State and select out-of-State areas so that prospective students and their parents have an opportunity to talk with representatives from the University, and campus visitation days for special groups are held several times a year.

Graduate. The Graduate School provides assistance and support to applicants seeking information or admission to the University's graduate program. Applicants to a graduate program generally seek out the University. However, recruiting is conducted along the east coast and in the southeastern United States.

The Graduate School publishes the Graduate Bulletin and provides it free of charge. The Graduate School also advertises in popular graduate publications. Limited counseling to applicants choosing between two courses of study is also available through the Graduate School.

Brochures, applications and other materials which could be used to solicit enrollment are collected by the Graduate School from individual departments and distributed at graduate affairs and similar functions.

Degrees Offered

The University System offers more than 345 unique degree programs, in over 120 areas of study, including professional doctorates in law, medicine and pharmacy.

Libraries

The University's library collection of over three million volumes, 800,000 government documents, 300,000 maps and aerial photographs, and rare books and manuscripts, is held in seven libraries on the Columbia campus.

Alumni

The University of South Carolina Alumni Association serves more than 300,000 alumni in 50 states and 154 foreign countries. More than half of alumni live in South Carolina.

Reserve Officer Training

Military training is not compulsory at the University. Through Army, Naval and Air Force Reserve Officers Training programs, the University is cooperating with the United States Department of Defense in an effort to provide a steady supply of well-educated officers for active and reserve forces of the nation.

System Campuses

Three comprehensive and four regional campuses complement the flagship campus in Columbia. USC Aiken, USC Beaufort and USC Upstate are separately accredited institutions offering four year degree programs. The four regional campuses, USC Lancaster, USC Salkehatchie, USC Sumter and USC Union, are the Palmetto College Campuses and are accredited as two-year degree-granting institutions under the USC Columbia umbrella.

The Palmetto College concept was launched in the fall of 2013 as an academic program coordinating unit to expand baccalaureate degree programs to rural populations via on-line learning.

By making its freshman-sophomore and some upper level offerings available in areas close to the homes of prospective students, the University has been able to devote increased space to its academic program with consequent savings to both students and taxpayers. Additionally, graduate programs are offered at the Aiken and Upstate campuses.

Economic Impact

Based on an economic impact study conducted by the Darla Moore School of Business in April 2017, the University contributes more than \$5.5 billion in annual state output to the state through alumni impact and the impact from non-state funded expenditures. More specifically, this economic output represents the total dollar value of all goods and services associated with the University, including both increases in alumni wages and business activity resulting from non-state funded expenditures. In addition, the University contributes approximately \$1.8 billion toward personal income, approximately \$220 million in annual state tax revenue, approximately \$3.0 billion towards gross state product (value added), and supports approximately 60,250 jobs.

Debt Structure

Outstanding Debt

The University's debt consists of the following categories:

General Obligation. State Institution Bonds of the State of South Carolina (the "State Institution Bonds"), which are secured by a pledge of the full faith, credit and taxing power of the State and in addition by a pledge of tuition fees collected at the University. State Institution Bonds are issued by the State on behalf of the University.

Revenue bonds. The proceeds of revenue bonds (the "Revenue Bonds") are used by the University for, but not limited to:

(A) Dormitories, apartment buildings, dwelling houses, bookstores and other University operated stores, laundries, dining halls, cafeterias, parking facilities, student recreational, entertainment and fitness related facilities, inns, conference and other non-degree educational facilities and similar auxiliary facilities of the University and any other facilities which are auxiliary to any of the foregoing excluding, however, athletic department projects which primarily serve varsity athletic teams of the University.

(B) Those academic facilities as may be authorized by joint resolution of the General Assembly.

The Revenue Bonds under this category are payable from and secured by a pledge of the revenues derived by the University from the operation of the student and faculty housing facilities and the parking facilities; and are additionally secured by a pledge of subsidies and available funds and academic fees of the University not otherwise designated or restricted. Funds of the University derived from appropriations received from the General Assembly and any tuition funds pledged to the repayment of State Institution Bonds are not considered available funds.

Athletic Facilities Revenue Bonds. The proceeds of Athletic Facilities Revenue Bonds are used by the University for the financing or refinancing of the costs of acquiring, constructing, reconstructing, renovating, or equipping Athletic Facilities. The Athletic Facilities Revenue Bonds are payable from and secured by a pledge of (A) the Net Revenues, (B) the gross receipts from the imposition of the Admissions Fee, and (C) the gross receipts from the imposition of the Special Student Fee.

The following table shows the categories of outstanding long-term obligations of the University as of December 31, 2017.

<u>Category of Indebtedness</u>	<u>Amount Outstanding</u>
State Institution Bonds	\$138,660,000
Revenue Bonds	254,820,000
Athletic Facilities Revenue Bonds	<u>186,280,000</u>
Total	<u>\$579,760,000</u>

Debt Payment Record

There has been no default in the payment of principal or interest on any bonds issued by or on behalf of the University. The University has never borrowed for the purpose of refunding any bonds in order to prevent a default, nor has the University borrowed for the purpose of paying the cost of operations or for funding a deficit.

Financial Matters

Budget

The University is a State institution of higher learning, governed by the Board of Trustees. The amount of State appropriations received is determined by the State Legislature. The Board of Trustees must approve the annual operating budget and is empowered to establish tuition and fee amounts, subject to such limits as may be imposed from time to time by the General Assembly of the State of South Carolina.

The internal University budget process is that generally used by public higher education institutions. The budget is determined in the following manner:

1. Amount of expense budget to sustain current operations is determined.
2. Expense budget reductions are made to continuing operations where programmatically warranted.
3. Expense budget increases for institutional priorities are determined.
4. Realistic revenue budget estimates are determined.
5. Necessary expense budget reductions are made to current operating bases or planned institutional priorities as circumstances warrant in order to insure that the expense budget does not exceed the revenue budget.

The total current funds budget of the University for the Fiscal Year ended June 30, 2017 was approximately \$1.518 billion as approved by the Board of Trustees. Of that amount, \$159.8 million was appropriated by the State with the remainder derived from student tuition and fees, grants, contracts, auxiliary enterprises and other revenue.

The total current funds budget approved by the University Board of Trustees on June 23, 2017 for Fiscal Year 2018 is \$1.574 billion. Of that amount, state appropriations are \$164.4 million.

Total revenues of the University for the Fiscal Years ended June 30, 2013 through 2017 are as follows:

Year	Total Revenues
2013	\$ 1,061,103,742
2014	1,132,092,169
2015	1,224,836,380
2016	1,236,543,468
2017	1,296,521,453

The percentages of the sources of the revenues shown above are as follows:

	Fiscal Years Ended June 30,				
	2013	2014	2015	2016	2017
State Appropriations (including Capital)	14%	14%	13%	14%	12%

Pension Plans

The University's employees participate in one of several pension plans maintained by the Retirement Division of the South Carolina Public Employees Benefits Authority ("PEBA"). Although the University is a participating employer in the pension plans, the University is in no way involved in the management or administration of the pension plans, which is conducted by PEBA, nor is the University responsible for investment decisions made regarding the assets of the pension plans, which is the responsibility of the Retirement System Investment Commission. Policy for the pension plans is set by the State legislature and the State Fiscal Accountability Authority. A description of the pension plans is set forth in the attached: Comprehensive Annual Financial Report of the University for Fiscal Year Ended June 30, 2017 – Basic Financial Statements - Notes to the Financial Statements – Note 5 - Pension Plans.

Postemployment and Other Employee Benefits

Plan Description - In accordance with the South Carolina Code of Laws and the annual Appropriations Act, the State provides post-employment health and dental and long-term disability benefits to retired State and school district employees and their covered dependents. The University contributes to the South Carolina Retiree Health Insurance Trust Fund ("SCRHITF") and the South Carolina Long-Term Disability Insurance Trust Fund ("SCLTDITF"), cost-sharing multiple employer defined benefit postemployment healthcare, and long-term disability plans administered by the Insurance Benefits Division ("IB"), a part of the PEBA. Generally, retirees are eligible for the health and dental benefits if they have established at least ten years of retirement service credit. For new hires beginning employment May 2, 2008 and after, retirees are eligible for benefits if they have established 25 years of service for 100% employer funding and 15 through 24 years of service for 50% employer funding. Benefits become effective when the former employee retires under a State retirement system. Basic Long-Term Disability ("BLTD") benefits are provided to active state, public school district, and participating local government employees approved for disability.

Funding Policies - Section 1-11-710 of the South Carolina Code of Laws of 1976, as amended, requires these postemployment and long-term disability benefits be funded through annual appropriations by the General Assembly for active employees to the IB and participating retirees to the PEBA, except for the portion funded through the pension surcharge and provided from the other applicable sources of the IB, for its active employees who are not funded by State General Fund appropriations. Employers participating in the Retiree Medical Plan are mandated by State statute to contribute at a rate assessed each year by the Office of the State Budget, 5.33% of annual covered payroll for 2017 and 5.33% of annual covered payroll for 2016. The IB sets the employer contribution rate based on a pay-as-you-go basis. The University paid approximately \$28,528,000 and \$27,002,023 applicable to the surcharge included with the employer contribution for retirement benefits for the fiscal years ended June 30, 2017

and 2016, respectively. BLTD benefits are funded through a person's premium charged to State agencies, public school districts, and other participating local governments. The monthly premium per active employee paid to IB was \$3.22 for the fiscal years ended June 30, 2017 and 2016. The University recorded employer contributions expenses applicable to these insurance benefits for active employees in the amount of approximately \$266,000 and \$255,000 for the years ended June 30, 2017 and 2016, respectively.

Effective May 1, 2008 the State established two trust funds through Act 195 for the purpose of funding and accounting for the employer costs of retiree health and dental insurance benefits and long-term disability insurance benefits. The SCRHITF is primarily funded through the payroll surcharge. Other sources of funding include additional State appropriated dollars, accumulated IB reserves, and income generated from investments. The SCLTDITF is primarily funded through investment income and employer contributions.

One may obtain a copy of the complete financial statements for the benefit plans and the trust funds from PEBA Retirement Benefits and Insurance Benefits, 202 Arbor Lake Drive, Suite 360, Columbia, SC 29223.

Insurance

The University is exposed to various risks of loss and maintains State or commercial insurance coverage for each of those risks. The University believes such coverage is sufficient to preclude any significant uninsured losses to the University. Settled claims have not exceeded this coverage in any of the past three years. The University pays insurance premiums to certain other State agencies to cover risks that may occur in normal operations. Several State funds accumulate assets and the State itself assumes substantially all risks for the following:

- (1) Claims of State employees for unemployment compensation benefits;
- (2) Claims of covered employees for workers' compensation benefits; and
- (3) Claims of covered employees for health, dental, and group-life insurance benefits.

In addition, the University pays premiums to the State's Insurance Reserve Fund which accumulates assets to cover the risks of loss related to the following assets and activities:

- (1) Real property and its contents;
- (2) Motor vehicles and aircraft;
- (3) General tort liability claims;
- (4) Medical malpractice claims against covered employees, faculty and students;
- (5) Business interruption;
- (6) Builder's risk;
- (7) Inland marine; and
- (8) Data processing.

The State's Insurance Reserve Fund reinsures for a portion of the coverage for these liabilities.

The University also purchases a portion of its medical malpractice insurance coverage for health care providers through the State's public entity risk pool, the Patients' Compensation Fund. The University

obtains employee fidelity bond and directors' and officers' liability insurance coverage through a commercial insurer for financial losses arising from mismanagement, theft or misappropriation.

The University has implemented a comprehensive Enterprise Risk Management (ERM) program which incorporates the fundamentals of risk identification, assessment, treatment, monitoring, and review. The University has established an ERM process using the guidance of International Standards Organization (ISO) 3100-2009 "Risk Management - Principals and Guidelines". ISO provides a framework and process for managing any form of risk in a systematic, transparent and credible manner. The ERM program is committed to preventing losses through training, education and inspection; advising and assisting university managers in identifying potential risks and losses; and advising and assisting university managers in implementing controls to mitigate risks.

Tort Liability and Insurance

The State Supreme Court, in the case of McCall v. Batson on April 18, 1985, abolished the doctrine of sovereign immunity in the State of South Carolina. In response to this decision, the South Carolina General Assembly in its 1986 session enacted the South Carolina Torts Claim Act which reestablished a qualified doctrine of sovereign immunity with respect to local government in South Carolina. Subject to specific immunity set forth in the South Carolina Tort Claims Act, local governments including the University are liable for damages not to exceed \$300,000 per incident/person and \$600,000 per occurrence/aggregate (except in the case of physicians and dentists employed by local governments, for which the per incident limit is \$1,200,000). No punitive or exemplary damages are permitted under the South Carolina Tort Claims Act. Insurance protection to local government is provided by either the Insurance Reserve Fund, private carriers, self-insurance or pooled insurance funds. The University currently maintains liability insurance coverage with the Insurance Reserve Fund.
