Insurance

The University is exposed to various risks and maintains state and commercial insurance coverage to mitigate the impact of those potential losses. The University believes such coverage is sufficient to preclude any significant uninsured losses to the University. Settled claims have not exceeded this coverage in any of the past three years. The University pays insurance premiums to certain other state agencies to cover risks that may occur in normal operations. Additional information can be found in the Comprehensive Annual Financial Report of the University for fiscal year ended June 30, 2020 – Notes to the Financial Statements – Note 13 – Risk Management.
