Convenience Store Cash Equivalency/Meal Exchange Protocol

To promote a healthier Carolina, Cash Equivalency meal swipes (using meal swipes for a la carte purchases based on a set retail meal swipe value of $5.54 for breakfast, $6.95 for lunch, and $7.46 for dinner and late night) will be removed from convenience store locations to assist students in making healthier and complete meal choices.

Convenience items such as ice cream, bottled beverages, chips, and other snacks can only be purchased with Meal Plan Dollars, CarolinaCash, cash, or credit.

The following locations will only offer Meal Exchange Combos:
