

## Admissions Committee

### Bulletin update request

**Issue:** A minimum of 30 transferable semester (45 quarter) hours are required to be considered for transfer admission without requiring a high school transcript and test scores. Currently, military credit earned and presented on a Joint Services Transcript is not considered for admissions purposes under current "30 semester/45 quarter hour" rule for transfer consideration.

**Recommended action:** Allow up to 6 semester hours of ACE-evaluated credit from a Joint Services Transcript to be considered among the 30 hours required for transfer admission. (ACE = American Council on Education)

An applicant who, having graduated from high school, has attended another regionally accredited postsecondary institution and attempted one or more courses is a transfer student, regardless of credit earned. If fewer than 30 semester hours (45 quarter hours) of college-level work have been attempted, the applicant must meet both transfer and freshman entrance requirements.
