Scholar community mourns the passing of Stamps Charitable Foundation co-founder, Penny Stamps

“Penelope ‘Penny’ Stamps pushed buttons. That’s one reason more than 900 students are attending colleges across the country, in particular at the University of Miami and the University of Michigan, as a result of the Stamps Scholars program she founded with her husband E. Roe Stamps IV. There may well be more than a 1,000 others who have enjoyed scholarships over the years that she and her husband have quietly supported.” Read more here:
