**Complete and submit this form if you have already applied for a Parent PLUS Loan, have been denied, and will not appeal the credit decision or seek an endorser.**

If you no longer plan to pursue an endorser or appeal the credit decision, your student can receive, if eligible, additional Unsubsidized Direct Loan funds up to the following amounts:

| Grade Level        | Additional Unsubsidized Loan Limits |
|--------------------|-------------------------------------|
| Freshman/Sophomore | \$4000                              |
| Junior/Senior      | \$5000                              |

If you would like to proceed with the additional unsubsidized loan instead of pursuing the Parent PLUS Loan, please sign the statement below and return this form to our office.

I, \_\_\_\_\_, the parent borrower, will not appeal the credit decision or seek an endorser. Please process my request for an additional Unsubsidized Direct Loan for the student.

I understand that loan amounts are subject to revision based on a change in the student's financial aid eligibility and/or enrollment.
