The **Related Actions Menu** shows all of the actions/eForms which the user has authority to initiate on this specific employee's EMPL record.

The **Job Change eForm** is used to make permanent changes to position and/or base salary. Base salary changes not tied to the position (i.e. Additional Skills Knowledge, Performance Increase, Retention, etc.) should be initiated on the Job Change eForm. FTE Faculty, Temp Faculty, and non-exempt temporary staff position and salary changes are also initiated directly on the Job Change eForm.

- Position related changes for all employee types with position descriptions (FTE, RGP, and TL Staff; RGP and TL Faculty; and exempt temporary staff) must be initiated in PeopleAdmin. Once approved in PeopleAdmin, the nightly interface feeds these actions into HCM on the Job Change eForm for Central HR to validate and approve.

From the Related Actions Menu, select the **Job Change** option.

The screenshot displays the HCM HR interface. On the left, there is a search bar for 'Personnel Action Form' with the name 'hermione granger' entered. In the center, a 'Current Employee' card for 'Hermione Granger' is shown. An 'Actions' dropdown menu is open over the employee card, listing several options: 'View Personal Data', 'View Job Data', 'Separation/Retirement', 'Leave w/out Pay', 'Job Change' (highlighted with a red box), 'Additional Pay', and 'Additional Assignment'. On the right, the employee's record details are visible, including Empl ID (U00000112), Business Unit (SCCOL USC Columbia), Job Indicator (Primary Job), Empl Class (FTE Full Time Equivalent), and Faculty/Staff (Staff).

3. Enter the **New Comp Rate** for the PFP increase and click the tab button on your keyboard. This will calculate the **Percent Increase or Decrease** field. Note that entering the **Percent Increase or Decrease** and clicking the tab button will then populate the **New Comp Rate**.

Upon entering the increase, a new question will appear: **Is this pay for performance?** (this does not appear until you have entered a salary increase).

4. Click the drop-down menu button and select **Yes**. This step is crucial as it signals to the eForm to populate the required PFP criteria.

The PFP Last Awarded Date will auto populate based on system data. Enter the date of the employee's **Last EPMS Review**. Per Policy FTE staff are only eligible for a PFP if they've received an EPMS rating of successful or higher on the current year EPMS.

Notes:

Classified staff base salaries cannot exceed the max of the pay band. Pay band minimum, midpoint, and maximum are populated on the eForm. If you enter a salary above the max of the pay band you will receive a hard coded error message. You cannot advance to the next page in the eForm until you make the **New Comp Rate** within the limits of the pay band.
