On the ePAF homepage enter your employee’s name or USC ID in the Search for Person field, then click the Search button.

The results that appear are referred to as Search Cards. Determine the appropriate Search Card by reviewing the EMPL ID (aka USC ID), EMPL record, Department, EMPL Class, and other data presented.

On the appropriate Search Card, click the Related Actions Menu button.
The Related Actions Menu shows all of the actions/eForms which the user has authority to initiate on this specific employee’s EMPL record.

The Job Change eForm is used to make permanent changes to position and/or base salary. FTE Faculty, Temp Faculty, and non-exempt temporary staff position and salary changes are initiated directly on the Job Change eForm.

From the Related Actions Menu, select the Job Change option.
Completing the Job Change eForm:

1. In the Job Change eForm, first provide an Effective Date for the special salary adjustment equity increase.
   a. Special salary adjustment equity must be effective at the start of a pay period, either the 1st or the 16th of the month.

Since FTE faculty do not have position descriptions, all the position related fields on the Job Change eForm are unlocked for edit. However, special salary adjustment equity increase submissions should not be accompanied by any other change requests.

2. Scroll to the bottom of the page and click the Next button.
3. Enter the **New Comp Rate** for the special salary adjustment equity increase and click the tab button on your keyboard. This will calculate the **Percent Increase or Decrease** field. Note that entering the **Percent Increase or Decrease** and clicking the tab button will then populate the **New Comp Rate**.

4. Upon entering the increase, a new question will appear: **Is this pay for performance?** (this does not appear until you have entered a salary increase). Click the drop-down menu button and select **No**.
The only change that can be submitted with the special salary adjustment equity request is a change to the base salary funding allocation. If the increase is associated with a change in funding distribution, take the optional step 5 listed below.

5. **Optional** – If a funding change is needed you can click the **Select Funding** button to change the funding allocation. If additional sources are needed for funding, click the plus + button to add a new funding row. **Total Percent** must equal 100.00 across all rows of funding. The funding change will be effective the same date as the special salary adjustment equity increase.

6. Click the **Next** button.
7. The **Action** of **Pay Rate Change** will prepopulate based on the entries made in the eForm. Click the **Reason Code** drop-down menu button and select the **Special Sal Adjustment Equity** option.

Upon selecting the **Reason Code** of **Special Sal Adjustment Equity**, the File Attachments section will change to required. To submit special salary adjustment equity request, you must provide documentation of the equity study or review that was performed.

8. Click the **Upload** button and follow the on-screen prompts to attach the document from your device.

9. Click the **Submit** button.
10. The eForm has successfully submitted! Always click the View Approval Route button to see the workflow steps for the action.

11. The Approval Route shows the workflow steps for the specific action you submitted. All HR eForms route to Approver 1 and Approver 2 (internal to your Department, College/Division, or Campus) and the applicable central HR office.
   a. Payroll is not in the workflow for any HR eForm, rather they have view access to all eForms. This workflow step will always say Not Routed.

12. Upon review of the workflow, click the Done button.

You have successfully initiated a Special Salary Adjustment Equity request for FTE faculty!
