Supervisor’s Role in Employee Onboarding - Checklist

Supervisors play a pivotal role in onboarding. We provide several resources to help supervisors, employees and HR Contacts be successful. 1.) Managers should visit the Onboarding New Employees webpage for supervisor resources and tutorials. 2.) Managers can direct their employees to the New Employee Guide for step-by-step onboarding actions. 3.) Managers, Employees and HR Contacts can reference Job Aids within Onboarding Tips and Guides for questions while onboarding in systems.

3. Understand your **expectations**. Discuss your planning document and the expectations of your role. Also discuss how your role fits into the university’s strategic priorities.
4. Participate in New Employee Orientation
5. Download important **safety** apps and alerts.

### Faculty:
1. Attend faculty orientation
2. Register for New Faculty Academy
3. Download Faculty Manual

- Monitor their onboarding task completion in MSS. Reinforce **benefits** enrollment requirements (30 & 31 days). Direct them to the website and their benefits counselor.
- Start thinking about the **expectations** you will set through the EPMS-Planning Stage or other performance appraisal or goal-setting document. Review tenure and promotion and Unit Criteria and Procedures with faculty.
- Schedule on the job training to teach them the aspects of their new job. This could also include any safety, professional, or faculty training that may be required or recommended for their role.
- Teach employee to use any equipment needed for their job.
- Also help your employee understand:
  - Relationships/introductions
  - Schedule standing meetings
  - Key policies and procedures
  - Dept. priorities and objectives
  - How you communicate (formal/informal, tools, unacceptable, through conflict)
  - Team ground rules or work agreements
  - Informal rules
  - Technology tutorials
  - How you make decisions as a team
  - How you solve problems
  - For questions, assign a mentor/buddy or make sure you are available
- **Orient** your new employee to the office and the organization.
- Emphasize the University Mission and Strategic priorities and how the employee’s work and the department’s work fit in the context. Share the unit’s mission, values and strategies.
- Review relevant organizational charts and explain the department’s relationship to campus.
- Schedule a building and campus tour to meet campus partners.
- **Review safety** procedures and apps
  - Share department phone list and emergency contacts. Ensure employee completes emergency contact information in Employee Self-Service (ESS).
  - Review departmental and organizational emergency procedures and encourage your employee to download all important safety apps and alerts.
