Special Eligibility Situations

Definition
A special eligibility situation is an event that allows you, as an eligible employee, to enroll in or drop coverage for yourself or eligible family members outside of an open enrollment period.

Enrollment Deadlines
Enrollments must be completed and authorized within 31 days of a special eligibility situation. If not completed within 31 days, the employee must wait until the next open enrollment period or a special eligibility situation to enroll or make changes.

Making a Change
You can make changes using MyBenefits if you have a special eligibility situation, such as adding a newborn, marriage, divorce, or adoption. MyBenefits will display the documentation required for each change. You may initiate and approve the transaction in MyBenefits without documentation within 31 days of the special eligibility situation to ensure that the request is made timely; however, the transaction cannot be finalized by PEBA without the required documentation. PEBA will purge files after 60 days.

Helpful Information

• A foster child is a child placed with the employee by an authorized placement agency. The employee must be a licensed foster parent.
• A child for whom the employee has legal custody is a child for whom the employee has guardianship responsibility, not just financial responsibility, according to a court order or other document filed with the courts.
• A salary increase or decrease, or transfer does not create a special eligibility situation.
• Changes related to Medicaid or the Children's Health Insurance Program (CHIP) must be made within 60 days.
• Special eligibility situation rules do not apply to National Medical Support Notices (NMSNs). Employees may not make changes to their benefits other than those specified in the NMSN, which PEBA will determine. Employees are not allowed to make coverage changes through MyBenefits. Compliance with the NMSN is mandatory under federal law. PEBA cannot discontinue coverage until the issuing agency sends an updated NMSN or other order.
• The Family and Medical Leave Act (FMLA) is Federal law requiring covered employers to provide eligible employees with job-protected and unpaid leave for qualified medical and family reasons.
• Paid Parental Leave (PPL): SC Code of Laws 8-11-150 (A) provides six weeks of paid leave or two weeks of paid leave at one hundred percent of the eligible state employee's base pay.
• Always provide a valid email address because PEBA will occasionally email individuals who participate in the insurance and retirement benefits it administers.
• You can access your digital identification card from the My Health Toolkit mobile app.
• If you need to order a replacement card, visit StateSC.SouthCarolinaBlues or call BlueCross at 800.868.2520. You will need your Benefits Identification Number (BIN).
• A COBRA Initial letter will be mailed listing all newly added participants.
