10.9 Cooperative Academic Arrangements

- 10.9 The institution ensures the quality and integrity of the work recorded when an institution transcribes courses or credits as its own when offered through a cooperative academic arrangement. The institution maintains formal agreements between the parties involved, and the institution regularly evaluates such agreements.

(Cooperative academic arrangements)

Not applicable

The institution and regional Palmetto College campuses do not transcript courses or credits earned at other institutions as its own. Academic Affairs policies ensure quality of courses recorded on a transcript when offered through a cooperative agreement, directing agreements related to new or existing programs through the faculty governance process to ensure quality. These agreements, however, would be appropriately addressed under Standard 10.8.
