*(maturities beyond 12 months)***Once submitted the current CEO will receive an approval email for Approval.****Did you have Approval email issues last year?**

As soon as you submitted the same process sends the email to the CEO.

The Approval email could be in the President's spam/junk folder or was blocked by your security settings which your IT would need to correct. Please search for the email on the date/time you submitted.

Should the email not be located then the ***CEO can go to the Institutional Portal under the Annual Updates Tab then Click the View hyperlink to grant approval.***

Note- Each user can only see their link. The IAL will not see the CEO link and the CEO will not see the IAL link. They are also removed once satisfied by the user unless reopened. For security we only send each user their corresponding link to their email that we have on file.

The confirmation email is sent to the CEO and IAL only after the CEO has granted approval and the process is completed.

We added the View link to the Institutional Portal to ensure timely submission in the event of an email issue and encourage access through that route should you be having email delivery issues.
