

## Accepted Foreign Credential Evaluators

All transcripts submitted from foreign universities or schools must be evaluated for equivalency to United States accredited coursework by a university-accepted foreign credential evaluator. The transcript and other applicable academic records should be accompanied by a notarized translation, if not in English. If a transcript is not available, the foreign credential evaluator may evaluate the instructor's foreign credentials for equivalence to a U.S. degree.

Evaluations from the following agencies are accepted at the University of South Carolina:

- [World Education Services](#)
- [Joseph S. Silny & Associates](#)
- [Educational Credential Evaluators](#)
- [Educational Perspectives](#)
- [Global Education Group](#)
- [Education International, Inc](#)
- [Academic Evaluation Services, Inc.](#)

While you can use any of the above university approved evaluators, OIRAA recommends World Education Services (WES). If using WES, make sure to add the University of South Carolina – Graduate School as a recipient. A guide of how to request an evaluation through WES can be found [here](#).
