STUDENT SUCCESS CENTER:
In partnership with USC faculty, the Student Success Center (SSC) offers a number of programs to assist you in better understanding your course material and to aid you on your path to success. SSC programs are facilitated by professional staff, graduate students, and trained undergraduate peer leaders who have previously excelled in their courses. Resources available to you in this course may include:

• Peer Tutoring: You can make a one-on-one appointment with a Peer Tutor (www.sc.edu/success). Drop-in Tutoring and Online Tutoring may also be available for this course. Visit their website for a full schedule of times, locations, and courses.
• Supplemental Instruction (SI): SI Leaders are assigned to specific sections of courses and hold three weekly study sessions. Sessions focus on the most difficult content being covered in class. The SI Session schedule is posted through the SSC website each week and will also be communicated in class by the SI Leader.
• Peer Writing: Improve your college-level writing skills by bringing writing assignments from any of your classes to a Peer Writing Tutor. Similar to Tutoring, you can visit the website to make an appointment, and to view the full schedule of available drop-in hours and locations.
• Success Consultations: In Success Consultations, SSC staff assist you in developing study skills, setting goals, and connecting to a variety of campus resources. Throughout the semester, I may communicate with the SSC via Success Connect, an online referral system, regarding your progress in the course. If contacted by the SSC, please schedule a Success Consultation. Success Connect referrals are not punitive and any information shared by me is confidential and subject to FERPA regulations.

SSC services are offered to all USC undergraduates at no additional cost. You are invited to call the Student Success Hotline at (803) 777-1000, visit the SSC website (www.sc.edu/success), or stop by the SSC in the Thomas Cooper Library on the Mezzanine Level to check schedules and make appointments.

Writing Center (http://artsandsciences.sc.edu/write/university-writing-center)
This course has many of writing assignments. The University Writing Center is an important resource you should use! It’s open to help any USC student needing assistance with a writing project at any stage of development. The main Writing Center is in Byrnes 703.

ACADEMIC DISHONESTY:
Students in this course should be familiar with the university policies on Academic Responsibility, the Honor Code and the Carolina Creed. The honor code may be found at this URL: http://www.housing.sc.edu/academicintegrity/honorcode.html. The Carolina Creed may be found at http://www.sa.sc.edu/creed/ . Violation of any of these policies, in particular any form of direct or indirect plagiarism will result in an “F” for that
assignment and may lead to failure for the entire course. Students will also be subject to appropriate referral to the Office of Student Conduct for further action. It is the responsibility of the student to understand conditions that constitute a charge of plagiarism. Ignorance of plagiarism is not an excuse. Assignments or any graded element of the course must also be your own work. There is nothing wrong with seeking the assistance of other (in fact, helping each other to study for exams is highly recommended) for help in understanding concepts, principles, or methods, but simply obtaining answers for another person and turning them in as your own is unacceptable.

All assignments and papers for this course are subject to submission to “Safe Assign” at the instructor’s request.

**DISABILITIES:**
Student Disability Resource Center (http://www.sa.sc.edu/sds/): The Student Disability Resource Center (SDRC) empowers students to manage challenges and limitations imposed by disabilities. Students with disabilities are encouraged to contact me to discuss the logistics of any accommodations needed to fulfill course requirements (within the first week of the semester). In order to receive reasonable accommodations from me, you must be registered with the Student Disability Resource Center (1523 Greene Street, LeConte Room 112A, Columbia, SC 29208, 803-777-6142). Any student with a documented disability should contact the SDRC to make arrangements for appropriate accommodations.

**COURSE POLICIES AND PROCEDURES:**

**Academic Integrity**
You are expected to practice the highest possible standards of academic integrity. Any deviation from this expectation will result in a minimum academic penalty of your failing the assignment, and will result in additional disciplinary measures. This includes improper citation of sources, using another student’s work, and any other form of academic misrepresentation. The first tenet of the Carolinian Creed is, "I will practice personal and academic integrity." Below are some websites for you to visit to learn more about University policies:
Carolinian Creed (http://www.sa.sc.edu/ creed)
Academic Responsibility (http://www.sc.edu/policies/staf625.pdf)
Office of Student Conduct and Academic Integrity (https://www.sa.sc.edu/academicintegrity/)
Network Guidelines for Responsible Computing (http://www.sc.edu/about/offices_and_divisions/university_technology_services/policies_procedures/networkguideline.php)

**Plagiarism**
Using the words or ideas of another as if they were one’s own is a serious form of academic dishonesty. If another person’s complete sentence, syntax, key words, or the specific or unique ideas and information are used, one must give that person credit through proper citation.

**Class Conduct/Netiquette**
Professionalism will be expected at all times, but most especially with your interactions online. Because the university classroom is a place designed for the free exchange of ideas, we must show respect for one another in all circumstances. We will show respect for one another by
exhibiting patience and courtesy in our exchanges. Appropriate language and restraint from verbal attacks upon those whose perspectives differ from your own is a minimum requirement. Courtesy and kindness is the norm for those who participate in my class.

Our discussion board is a way for you to share your ideas and learning with your colleagues in this class. We do this as colleagues in learning, and the Discussion Board is meant to be a safe and respectful environment for us to conduct these discussions.

Some Netiquette Rules:
- Treat one another with respect. It will be expected that we will not attack one another personally for holding different opinions.
- Do not use all CAPITAL LETTERS in emails or discussion board postings. This is considered "shouting" and is seen as impolite or aggressive.
- Begin emails with a proper salutation (Examples: Dr. Name; Ms. Name; Hello Professor Name; Good afternoon Mr. Name). Starting an email without a salutation or a simple “Hey” is not appropriate.
- When sending an email, please include a detailed subject line. Additionally, make sure you reference the course number (Ex. ENGL 287) in the message and sign the mail with your name.
- Use proper grammar, spelling, punctuation, and capitalization. Text messaging language is not acceptable.
- Use good taste when communicating. Profanity should be avoided.
- Re-Read, think, and edit your message before you click "Send/Submit/Post."

Please remember when posting to be respectful and courteous to your colleagues and limit your posts to discussions of this course and its assignments.

LATE WORK/MAKE UP POLICY
No late or make-up work is accepted. All assignments, quizzes, and exams are due by the deadline as posted on the course schedule. Please plan accordingly and complete these assignments in advance of their deadlines to ensure any unanticipated circumstances do not result in a missed assignment. User error does not qualify you for any kind of makeup or retake opportunity. Completing and submitting the assignments or quizzes responses by the due date is the sole responsibility of you. If you receive an incomplete score because of failure to submit the assignment or test by the due date, then your score for that assignment will be recorded as "zero."

If you are concerned about missing a deadline, you may want to do any of the following:
- Post your assignment the day before the deadline; or
- Begin quizzes as soon as they are made available online.

Be Careful: The clock on your computer may be different than the clock in Blackboard. If the clock is different by one second, you will be locked out of the assignment or quiz. Plan accordingly. I recommend that you submit your assignments, quizzes, and exams well before deadline.

INCOMPLETE GRADES
Incompletes will be granted only in accordance with university policy.

**DIVERSITY AND INCLUSION**
The university is committed to a campus environment that is inclusive, safe, and respectful for all persons, and one that fully embraces the Carolinian Creed. To that end, all course activities will be conducted in an atmosphere of friendly participation and interaction among colleagues, recognizing and appreciating the unique experiences, background, and point of view each student brings. You are expected at all times to apply the highest academic standards to this course and to treat others with dignity and respect.
