Carolina Alert System

Your one-stop emergency information source
- Status/Carolina Alert updates
- Emergency Plans
- How to receive notifications
- What to do in an emergency

The Carolina Alert Emergency Notification System is a set of communication media that the University can use to notify the community in the event an incident affects our campus.

Text messages will only be used if a situation exists that poses an immediate risk to life safety and requires persons to change their behavior.

Property Registration

Property Registration
- Registering your property is easy using our online form.
- Enter make/model, serial numbers, descriptions and even photos.
- You can register laptops, phones, tablets, bicycles, mopeds and more.

Project I.D.
- We engrave your valuables (computers, iPods, cell phones, and more)
- Identifying information (Name, initials, last four SS numbers, symbols etc.)

S.T.O.P. Tag
- S.T.O.P. (Security Tracking of Office Property) is a highly visible anti-theft tag
- Registration helps deter theft by making the laptop nearly impossible to sell.
- Removal of the security plate would physically alter the computer’s casing. A “Stolen Property” tattoo lies underneath the security plate.
- This service is available for $20 at the Russell House Information Desk

Remember, this service helps us identify your property if stolen and or recovered.
