

How to earn comp time and request holiday comp payout on a timesheet for a salary non-exempt employee:

This job aid outlines how a salary non-exempt employee can earn comp time and request holiday comp payout on a timesheet.

Note: Before indicating you would like to receive a payout for hours worked on a holiday, it is very important to receive approval from your manager. Although this option is available to all non-exempt employees, it is at the departments discretion whether they want to payout the hours worked or request you comp the hours for future use.

Navigation: Employee Self Service > Time and Absence > Enter Time

Processing Steps	Screenshots						
Step 1: On the Employee Self Service landing page, click the Time and Absence tile.	SOUTH CAROLINA	Time and Absence	Employee S Payroll Last Pay Date 04/30/2021	Self Service Personal Details	Talent Profile	Q 🏲 :	Ø
		Benefit Details	USC Profile				

Step 3: Be sure to select the correct
timesheet for the work week. Use the
Arrows to navigate to the
appropriate timesheet.

Notice the holiday is highlight in yellow and under the View Legend link the holiday date and name is spelled out in bold.

Begin by selecting the appropriate **Time Reporting Code** (TRC).

You can only have one TRC per line.

Step 4: Click the Time Reporting Code drop-down arrow.

Step 5: Select REGHR – Regular Hours.

Step 6: On this first line, click in the **Time Entry** field and enter hours worked for each day that is not a holiday.

In this example, you received permission to work additional hours. To earn comp time, the hours entered will need to be more than the scheduled hours.
