As the manager, you can enter time on behalf of employees in your area. You can go back and enter timesheets 60 days prior to the current day on behalf of an employee.

**Note:** If an Absence has been requested, it is not editable on the timesheet. Scroll to the right and click the plus + button to add another Time Reporting Code row.

**Step 10:** Be sure to select the correct timesheet for the work week. Use the Arrows to navigate to the appropriate timesheet.

Step 14: Scroll over to the right, click in the Work Order field, and enter the order number that corresponds with the hours worked for the first line.

Step 15: Click the + (plus) button to add an additional line for the second work order you worked that week.
