Step 4: To edit the time, click in the Time Entry field for the day(s) you would like to change and enter the corrected hours.
You can enter comments about the edited time entries if you feel additional information is needed.

**Step 5:** Click the **Comments** button.

Use the **Comments** page to enter comments for the edited time.

**Step 6:** Click in the **Comment** field and enter a comment applicable to the time entered.

**Step 7:** Click the **Add Comment** button. The comment is added, along with a timestamp and who entered the comment.

**Step 8:** Click the **X** to close the Time Reporting Comments page.
Notice when a comment has been added to a specific time entry, squiggles appear in the comment bubble.

**Step 9:** The edits have been made to the timesheet. Click the Submit button to submit the timesheet for approval.

Once the timesheet has been submitted correctly, you will see a message across the top of the screen saying that the timesheet has been submitted successfully. Also, an email is generated that will automatically be sent to you and your supervisor's inbox.

The summary at the top of the page will show the Reported total based on the edits made for the week in view. As an exempt employee, remember the only hours you report are for absences or hours worked during hazardous weather event or on a university holiday. All other days will appear with zero reported hours.
**Step 10:** When submitted, the Pending Approvals icon will appear for the day(s) that were edited. Click the View Legend link to view the legends used and a short description of each one.

The most common icons that may appear in the Daily Status box are:

- ⚠️ The user has an exception that needs to be fixed before submitting the timesheet.
- ⚫ The timesheet has been saved for later.
- 🔴 The time entered has been submitted and is pending approval.
- ✅ The entered time has been approved.

**Note:** You can go back to enter or adjust timesheets 30 days prior to the current day.
