Grant Report

Name: Meili Steele, Dept. of English, steelem@sc.edu

Grant: Provost’s Humanities Grant Program

Title: The Transformation of Public Reason: From Principles to Social Imaginaries

Amount of Award: $10,000

Accomplishments

During the grant period, I wrote four articles, two of which are in print and two of which are forthcoming:

In addition, I made considerable progress on two book projects, The Transformation of Public Reason: From Principles to Social Imaginaries and Pathways to the Present: Critical Theory Since Kant. I plan to send Pathways to a publisher by the end of the summer. I now have 120 pages of The Transformation of Public Reason completed.
