

Research: Next Steps

SUMMER 2023 PROFESSIONAL DEVELOPMENT WORKSHOP SERIES SPONSORED BY
THE OFFICE OF UNDERGRADUATE RESEARCH

ALL WORKSHOPS ARE OFFERED ON
WEDNESDAYS 11:00AM - 12:30PM IN JONES PSC 104

Wednesday, May 31 **Communication & Networking**

Dr. Lauren Clark, Director, Office of Undergraduate Research

This workshop will focus on communication and networking in a research lab.

Wednesday, June 7 **Highlighting Your Research Experience**

Ms. Briahnnna Ismail, Assistant Director of Student Services, Office of Undergraduate Research

This workshop will provide guidance on crafting effective resumes, cover letters, and personal statements in a format tailored to undergraduate research students.

Wednesday, June 14 **Research and Ethics**

Dr. Jeff Dudycha, Professor, Department of Biological Sciences

Case Studies will be presented to provide a framework for discussion of common ethical questions in research.

Wednesday, June 21 **Preparing for Graduate School**

Panel of Graduate Students and Graduate School Faculty and Staff

In this workshop, a panel of Graduate School students and faculty will discuss the graduate school application process with emphasis on what programs to consider and what to look for in an advisor. This workshop will also explain options for funding your graduate education including assistantships and fellowships.

Wednesday, June 28 **Reflecting on Your Research Experience**

Dr. Charles Pierce, Faculty Executive Director, Center for integrative and Experiential Learning

This interactive workshop will introduce integrative learning and engage students in reflective thinking and writing exercises about their research experience.

ALL UNDERGRADUATE RESEARCHERS FROM ALL DISCIPLINES ARE WELCOME. NO
REGISTRATION IS REQUIRED. FOR QUESTIONS REGARDING WORKSHOPS, PLEASE THE
